Summary of Public Comments on the Draft STIP

WisDOT received one comment on the Draft 2020 – 2023 STIP. Summary of the comment and WisDOT's response is included below:

- The Federal Transit Administration (FTA) Region V Transportation Programs Specialist, Evan Gross, provided a comment that the transit facility targets within Tab 10 – Performance Measures (page 10-5) should be based on the Transit Economic Requirement Model (TERM) and not Useful Life. The document was revised to include the TERM ratings (1-5) and explanation of TERM based facility targets.
