US 12/County A Intersection, Altoona

Northwest Region

Location

US 12/County A intersection, about 0.2 miles west of the US 12/Nottingham Way intersection, in Altoona.

Overview

The purpose of the project is to improve the safety of pedestrians crossing US 12 by directing them to cross the highway at the County A signalized intersection. This project consists of:

- Building two shared-use path segments.
  - The north segment would connect to the existing sidewalk system north of North Hillcrest Parkway to US 12.
  - The south segment would connecting US 12 to Windsor Forest Drive.
- Adding pedestrian signal improvements at the US 12/County A intersection.

The project is estimated to cost $122,000.

Traffic Impacts

The project will result in temporary short-term lane closures at the US 12/County A intersection.

Schedule

- Construction scheduled to start: 2021.
