Go to <https://wisconsindot.gov/Pages/doing-bus/contractors/cntrctr-trng/default.aspx>

If this is your first time on Learn Center, you will need to select Account Set Up and Login Guide and follow the instructions

WisDOT offers training courses to consultants, contractors and municipalities.

To set up a LearnCenter account, please refer to the [LearnCenter Account Set Up and Login Guide](#).

Once you set up a LearnCenter account, you may do the following:

1. Register for training
2. View or print your transcript
3. Print a complete certificate for a course

[Access the LearnCenter](#)

If you have questions about current or upcoming DTSD Technical Training offerings, please contact: DOTDTSDDotTechnicalTraining@dot.wi.gov

If you have questions about using the DOT LearnCenter to register for training, view or print your transcript, or print a completion certificate for a course, please contact the DOT LearnCenter Help Desk at: learncenter@dot.wi.gov

If you are already registered on Learn Center, click on “Access the Learn Center” link

Type training topic into Search bar (for example, “work zone” or “safety”)
