Ducks Unlimited plate

Ducks Unlimited works to conserve wetlands in North America. Since its founding in 1937, the organization has helped conserve more than 9.4 million acres of prime wetland and wildlife habitat.

The purchase of Ducks Unlimited license plates will support habitat enhancement projects which benefit waterfowl and promote the health of hundreds of other wildlife species, including many of the world's endangered species. It also entitles you to a one-time, one-year membership in the organization (accepting membership reduces the amount of your donation that may be tax-deductible).
