

What is a point system suspension?

Persons who accumulate 12 or more points in a one-year period may be subject to a driver license suspension. The points are counted by date of violation.

Offenses include:

- Speeding
- Failure to obey a sign
- Failure to yield right of way
- Other moving traffic violations

What happens to drivers who accumulate points?

Their operating privilege may be withdrawn:

Demerit Points Accumulated in a 12-month Period	Length of Suspension for Probationary License holder	Length of Suspension for Regular License holder
12 - 16 points	6 months	2 months
17 - 22 points	6 months	4 months
23 - 30 points	6 months	6 months
More than 30 points	1 year	1 year

Who orders the suspension?

Under the present law, the DMV administratively suspends the driver’s privilege.

What licenses are suspended?

The suspension is of the operating privilege. This means all licenses issued by the division. For an unlicensed person, the ability to obtain a license is suspended.

Is any type of license available before the expiration of the suspension?

A person may, under certain conditions, obtain an occupational license.
