Enter the Vehicle Identification Number (VIN) or plate number to view a Wisconsin DMV vehicle record.

Owner information will only be displayed if the correct Driver Identification Number (DID #), Federal Employer Identification Number (FEIN), or Social Security Number (SSN) is entered in conjunction with the plate or VIN. Enter the numbers without the dashes.

Only vehicles that have previously been titled or registered in Wisconsin will display a record. Vehicle titles issued via the eMV Agent system will immediately appear on inquiry records.

“Existing Lien Holder” field will show if the title is held by the lien holder and also if that title is a paper or electronic title.
