**Plaintiff**

Deerborn Dr

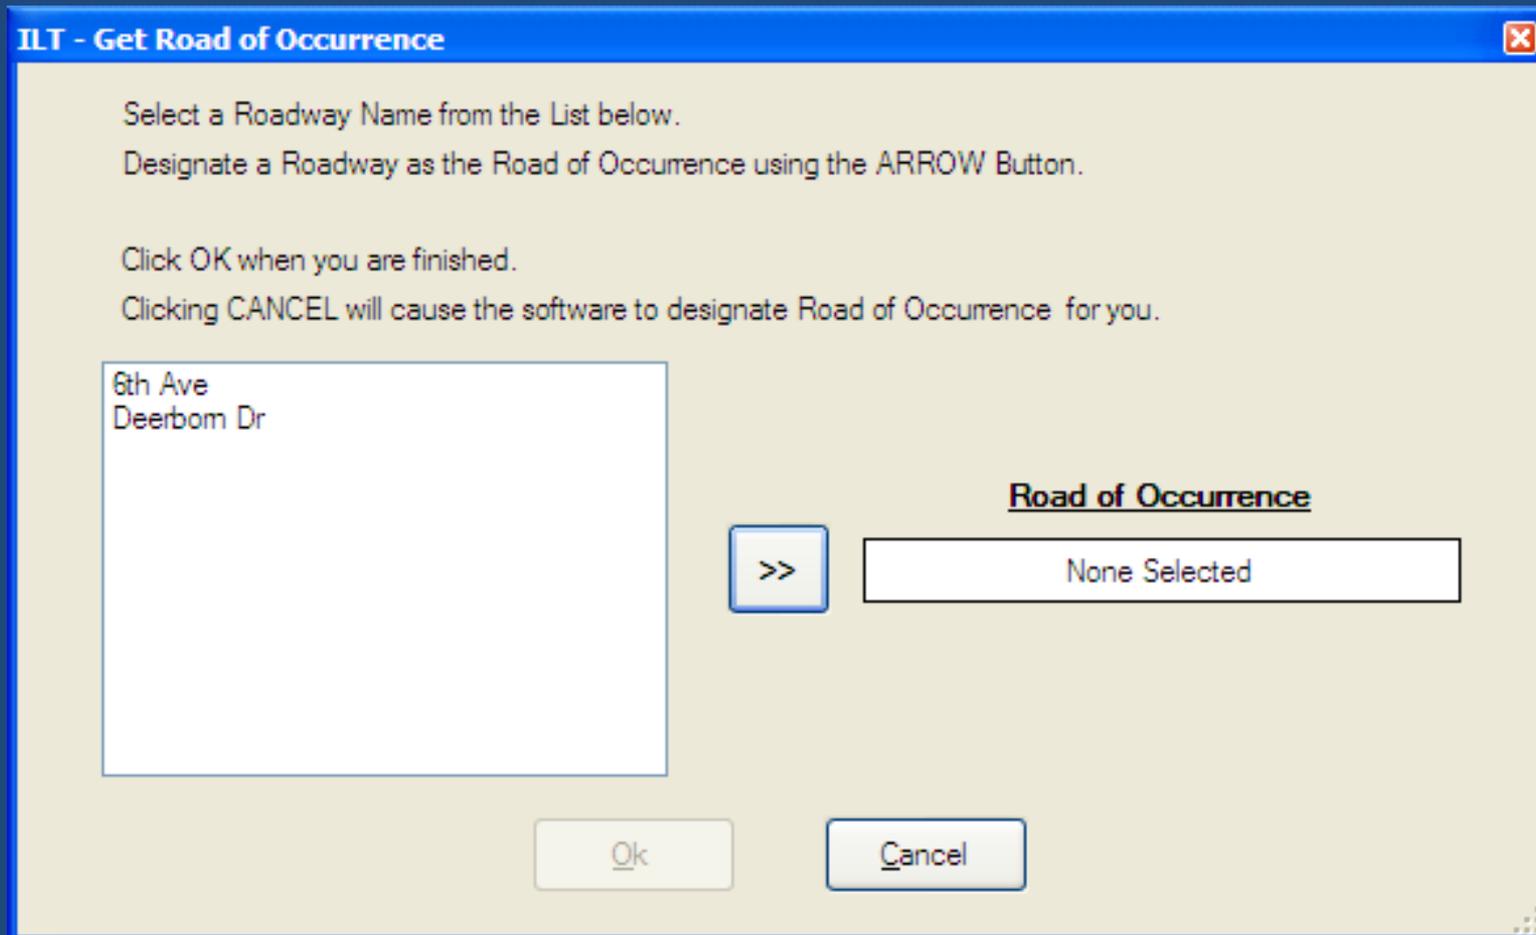

A blue, semi-transparent toolbar for map navigation and editing. It features a large red circle at the bottom, a smaller blue circle at the top, and several buttons: 'MEAS' with a red dot, 'SNAP' with a black dot, and 'LABEL' with a green dot. There are also directional arrows and other small icons.

6th Ave and Deerborn Dr

CHLM

6th Ave

- Once the location is selected you may be asked for the “On” street.

# TIPS AND TRICKS

- Need a GPS emulator and/or Com Port splitter
- Some frustrations determining Port for GPS
- Might want to start using ILT without GPS
- Can cause confusion of “On” street
- Hands on training MOST useful
- Location entry can be sped up by keeping ILT open
