Seaplane Restrictions

This list of lakes has specific restrictions covering seaplane operations. There may be lakes with restrictions that are not on this list. Some communities have ordinances that contain general or specific references that can impact seaplane operations such as: motor-powered craft, boat, watercraft, power-driven boat, self-propelled boat, combustion engine craft, houseboat operations and alike.

***We want to alert all seaplane pilots to contact the local lake or river authority before attempting to use these or any other surface water for seaplane operations.**
