

HISTORIC RESOURCES EVALUATION

Factor Sheet B-5

Alternative	Total Length of Center Line of Existing Roadway Length of This Alternative
Preferred <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> None identified	

See FDM Procedure 26-15-1 for guidance on the evaluation of historic structures. Determinations of eligibility and effect must be made by a qualified historian. If multiple alternatives affect the historic resource in a similar way, then list all alternatives in the "Alternative" box above. If multiple alternatives have different effects on the historic resource, a factor sheet should be included for each alternative.

Section 106 Form or other documentation, with all necessary approvals, must be attached to the Environmental Document for all projects.

Typically the 106 Form, the SHPO concurrence letter for No Adverse Effect and Memorandum of Agreement are sufficient documentation. Do not attach a Determination of Eligibility, Determination of Effect and Documentation for Consultation.

1. Parties contacted:

Parties may include local landmark commissions, local historical societies, preservation commissions, American Indian tribes, property owners and other parties of interest.
