

Factor Sheet C-6

Alternative

Total Length of Center Line of Existing Roadway
Length of This Alternative

Preferred

☐ Yes ☐ No ☐ None identified*See FDM Procedure 5-10-35, regarding the Department of Administration Coastal Management Program.***1. The project is located in the following county or counties which have coastlines on the Great Lakes:**

- | | | | | | | |
|------------------------------------|------------------------------------|------------------------------------|------------------------------------|----------------------------------|----------------------------------|----------------------------------|
| <input type="checkbox"/> Ashland | <input type="checkbox"/> Bayfield | <input type="checkbox"/> Brown | <input type="checkbox"/> Door | <input type="checkbox"/> Douglas | <input type="checkbox"/> Iron | <input type="checkbox"/> Kenosha |
| <input type="checkbox"/> Kewaunee | <input type="checkbox"/> Manitowoc | <input type="checkbox"/> Marinette | <input type="checkbox"/> Milwaukee | <input type="checkbox"/> Oconto | <input type="checkbox"/> Ozaukee | <input type="checkbox"/> Racine |
| <input type="checkbox"/> Sheboygan | | | | | | |

2. The project is located in the following county or counties which are in the Great Lakes Watershed with tributaries to the Great Lakes

- | | | | | | | |
|-------------------------------------|--------------------------------------|------------------------------------|------------------------------------|------------------------------------|----------------------------------|--------------------------------|
| <input type="checkbox"/> Florence | <input type="checkbox"/> Fond du Lac | <input type="checkbox"/> Forest | <input type="checkbox"/> Menominee | <input type="checkbox"/> Outagamie | <input type="checkbox"/> Shawano | <input type="checkbox"/> Vilas |
| <input type="checkbox"/> Washington | <input type="checkbox"/> Waukesha | <input type="checkbox"/> Winnebago | | | | |

If project's effects do not extend into one of the counties listed above, this worksheet does not need to be completed. If any county, listed above, is checked, complete the following:

3. Does the project affect a Special Coastal Area, as indicated in the Coastal Zone Management (CSM) Plan?

- ☐ Yes - The Special Coastal Area is:
- | | | | | |
|---------------------------------|---------------------------------------|---------------------------------------|--|--|
| <input type="checkbox"/> Park | <input type="checkbox"/> Boat Landing | <input type="checkbox"/> Beach | <input type="checkbox"/> Historic Property | <input type="checkbox"/> Archaeological Site |
| <input type="checkbox"/> Harbor | <input type="checkbox"/> Fishery Area | <input type="checkbox"/> Hunting Area | | |

☐ No - The project's effects do not extend into or affect any CZM Areas of Special Concern.

3. Describe the project's effects on the CZM Special Coastal Area.**4. Briefly discuss the results of coordination with any other agency or local unit of government regarding their concerns and mitigation proposals for the project's effects on the CZM Special Coastal Area.**

A stormwater evaluation may be required using the Stormwater Evaluation, Factor Sheet D-5, for projects located in a county listed in 1 or 2, above.

If the proposal is federally funded and uses land from a publicly owned park, recreation area, wildlife or waterfowl refuge or significant historic site, Section 4(f) 6(f) and Other Unique Areas Evaluation, Factor Sheet B-8, may need to be completed.
