

Crash Attenuators - Sand Barrel Systems

Date last edited: 7/29/2016

IMPORTANT NOTE TO DESIGNERS!

Users of this list shall reference the manufacturers literature and design data on applicability of use of these systems when developing roadway designs using crash cushion and sand barrel systems. Please refer to 11-45-1 of the department's Facilities Development Manual and Chapter 8 of AASHTO's Roadside Design Guide for further guidance.

<u>Product Name</u>	<u>Manufacturer</u>	
CrashGard Sand Barrel System	Plastic Safety Systems., Inc.	
Energite III	Energy Absorption, Inc.	
Fitch	Roadway Safety Service	Removed 7/29/2016
Traffix Sand Barrel System	Traffic Devices, Inc.
