**General Notes:**

Immediate report any manufacturer's modifications to approved product to the Department's Contact person listed above.  
Failure to report changes can cause hardware to be removed from Approved Product List.

The minimum amount of information the Department requires for review is: FHWA Eligibility/Approval letters, and results of ASTM D4218 carbon black testing

The Department reserves the right to request additional information at anytime.

Providing documentation to the Department for review does not automatically grant approval of product.
