

The following notice has been posted for all consultants:

<http://wisconsindot.gov/Pages/doing-bus/eng-consultants/notices/default.aspx>

WisDOT is in the process of converting to the statewide STAR PeopleSoft financial system. This will impact the department's payment schedule from mid-July to early August.

- Invoices received **prior to** July 12 will be processed by July 15.
- Invoices submitted **after** July 12 will be processed the first week in August.

All payments are expected to occur within the statutory 30-day requirement.

If you plan to invoice the department in July, please be mindful of the July 12th deadline. Be assured that the department is working to keep payment delays as short as possible.

Feel free to contact the department with any questions.

Sharon Bremser, P.E.

State Consultant Services Supervisor
