Possible Tier 1 EIS (Long-Term) Improvements

-  If the EA selects Alternative A (Low Build) as the Proposed Action, improvements in these locations would be included in the Tier 1 EIS.
-  County B (east) to Exchange Street – Capacity Expansion
-  Stoughton Bypass
-  Stoughton Bypass – Area where potential corridors will be considered.

MULTIPLE POTENTIAL CORRIDORS TO BE CONSIDERED

Project ID 5845-06-02; US 51, Stoughton – McFarland, Dane County, June 2015
