

# I-90/94 CORRIDOR STUDY

WISCONSIN DELLS – PORTAGE  
US 12/WIS16 (NORTH OF WISCONSIN DELLS) TO I-39/90 SPLIT  
JUNEAU, SAUK, AND COLUMBIA COUNTIES  
WISDOT ID 1014-10-00

Advisory Committee Welcome,

Thank you for serving on the Technical Advisory Committee (TAC) and Policy Advisory Committee (PAC) for the I-90/94 Corridor Study. The Study Team composed of WisDOT staff and their consultants know that your time is valuable so we truly appreciate your involvement with this study.

The TAC and PAC is composed of local officials and department staff from the communities of Juneau County, Town of Lyndon, Sauk County, City of Wisconsin Dells, Village of Lake Delton, Town of Lake Delton, Town of Fairfield, Columbia County, and the Town of Caledonia. In addition, the TAC and PAC include representatives from the Wisconsin Department of Natural Resources (WDNR), Federal Highway Administration (FHWA), United States Fish and Wildlife Service (USFWS), Wisconsin State Patrol Office, and local business representatives.

As members of the TAC and PAC your roles and responsibilities are as follows:

- Help review and suggest refinements to the Study Purpose and Need.
- Help improve communications between the Study Team and the organizations, boards, committees, and constituents you represent.
- Provide advice to the Study Team on the most effective way to reach the public at public involvement meetings, such as the most effective meeting times and the overall format of public meetings and exhibits.
- Review data from the Study Team. Take data back to your representative organizations to get feedback from them and request/suggest changes
- Help review and suggest refinements to the alternative solutions with the Study Team
- Help review environmental analysis and documentation that is created as a result of this study.
