

WIS 33 Pavement Replacement

Fact Sheet

Date: February 28th, 2024

The Wisconsin Department of Transportation (WisDOT) is proposing to replace the pavement of 0.67 miles of WIS 33 (Cook St) in Columbia County in the City of Portage between the Wisconsin River and WIS 16.

Proposed Project Details:

- Removal of the full existing pavement structure and replacement with 16 inches of base aggregates and 7.5 inches of asphalt pavement.
- Reconstruction of curb ramps to meet Americans with Disabilities Act standards.
- Addition of a left turn lane on eastbound WIS 33 at Pierce Street.

Project Location:

- WIS 33 (Cook St) in the City of Portage from the Wisconsin River to WIS 16

Traffic Impacts & Construction Schedule:

- Proposed to be constructed under a detour for the duration of construction. The detour will utilize I-39 and WIS 16. Estimated timeframe: Summer 2028
