ACCESS TO PUBLIC RECORDS & GENERAL FEES FOR OBTAINING A COPY OF RECORDS

It is the state of Wisconsin policy and WisDOT's public records policy that all persons are entitled to the greatest possible information regarding the affairs of government and the official act of those officers and employees who represent the people.

WisDOT, in compliance with the provisions of Wis. Stat. § 19.34 and the above-mentioned policies, provides notice to the public regarding accessibility to records for which WisDOT is responsible. These records are accessible to the public during the hours of 7:45 a.m. and 4:30 p.m., Monday through Friday and by appointment.

WisDOT may charge reasonable copy, search and shipping fees. For electronic records, no reproduction fee will be charged if the requested records exist in electronic format, but costs for computer disks or tapes, central processing unit and staff time needed to run the computer to produce the record may be charged. The photocopy fee established by the department's public records policy, except where otherwise set by law, is set at \$0.15 per printed page and at \$.07 per page for converting paper records to electronic format. A mailing or shipping fee may also be charged reflecting the actual, necessary and direct cost of shipping or mailing a record. If the record search cost exceeds \$50, WisDOT may charge a location fee at the hourly rate of the lowest-paid employee capable of performing the task. The hourly rate, however, may not exceed \$30 per hour. Fees will not be charged by WisDOT for the cost to review records in order to remove or redact confidential information. DMV is authorized to charge an additional search fee for driver and vehicle title and registration records. WisDOT may require a prepayment of any fees if the total copying or chargeable search fees exceed \$5. WisDOT may also waive or reduce copy and search fees, if waiver is determined to be in the public interest. Sales tax is not charged for searches or copies of materials that are public records unless the records are produced expressly for the purpose of sale.

PROCEDURE TO FOLLOW TO REQUEST COPIES OF RECORDS

Make your request orally, by email or in writing, to the Records Custodian listed below. If the records are not maintained by the Records Custodian, ask for help in determining where that record information is kept.

1. Once contacted, the Records Custodian will review your request to determine if the record or records exist. Any request for a record must reasonably describe the record or information sought. (Please note that not all record information is available for inspection or copying because access may be prohibited by state or federal law.)
2. Once your request has been reviewed and the Records Custodian determines existence of the record and accessibility, the Records Custodian will provide you with a copy of the record information or allow you to inspect the record information, and provide a place for that review.
3. If your request is denied, in whole or in part, the Records Custodian will explain in writing the legal reason why your request cannot be granted.
4. Please make your check for the records fees payable for the exact amount to: Wisconsin Department of Transportation, or as otherwise indicated by the Records Custodian.
