Traffic Guidelines Manual

ORIGINATOR Director, Bureau of Traffic Operations		1-10-25
CHAPTER 1	General	
SECTION 10	Documents	
SUBJECT 25	Federal-Aid Policy Guide	

Refer to the Federal-Aid Policy Guide, 23CFR 25 “Design Standards for Highways” for material related to traffic operations matters. Topics include design speed, design exceptions; vertical clearance, and accessibility standards. Also, Section 23 CFR 655 “Traffic Operations” for FHWA policy on uniformity of traffic control devices (including requirements for MUTCD).
