The following changes to the TEOpS Manual have been made:

- REVISE TEOpS 2-1-41 Jurisdictional Boundary Signs - Due to recently signed Act 74, Tribal Welcome Signs may now be placed on state trunk and any other highway right-of-way. They are categorized the same as Municipal Welcome Signs on WisDOT right-of-way and the corresponding revisions to HMM 09-20-30 have been made to account for the new Tribal Nation welcome signs. This policy has been revised accordingly as well.
