This is Addendum No. 01, which provides for the following:

Special Provisions:

Revised Special Provisions	
Article No.	Description
12	Notice to Contractor – Solid Waste

12. Notice to Contractor – Solid Waste.

Replace entire article language with the following:

All river sediment shall be considered solid waste. All excavated river sediment shall be considered to be solid waste and shall be hauled by a licensed waste hauler and disposed in a licensed landfill. Removal and hauling of solid waste material shall be included in the price of Excavation for Structures.

The responsibility for notifying potential subcontractors and suppliers of these changes remains with the prime contractor.

Sincerely,

Mike Coleman
