Letting of February 13, 2018

This is Addendum No. 01, which provides for the following:

Special Provisions:

Revised Special Provisions	
Article No.	Description
3	Prosecution and Progress

3. Prosecution and Progress.

Add the following after paragraph one of the section titled **Fish Spawning**:

The Department of Natural Resources will allow the placing of heavy riprap into the stream no earlier than May 15, only if no bed excavation will occur, clean riprap is used, and the placement of the riprap is conducted in a careful and targeted manner that prevents bed disturbance and sediment suspension.

The responsibility for notifying potential subcontractors and suppliers of these changes remains with the prime contractor.

Sincerely,

Mike Coleman
