Subject: Update - Construction and Materials Manual

You have received this message because you are a subscriber to the CMM subscriber list through the Roadway Standards email list service.

Please review the portions of the Construction and Materials Manual (CMM) revised for the December 2016 update. Revisions for the following sections were made:

- CMM 1-60 Attachment, Construction Inspector's Checklist for Pipe Checklist
- CMM 2-26, Preconstruction Meeting
- CMM 2-42, Contract Modifications
- CMM 4-50, Asphalt Pavement - General
- CMM 4-53, Mix Production
- CMM 4-54, Preparation of Foundation for Asphalt Pavement
- CMM 4-58, Placing Asphalt Mixtures
- CMM 5-20, Steel Bridges
- CMM 5-50, Pipe Culverts
- CMM 6-15, Storm Sewer
- CMM 8-10, Materials - General
- CMM 8-15, Density Testing
- CMM 8-36, QMP - HMA
- CMM 8-38, Ride Quality
- CMM 8-40, Materials Sampling
- CMM 8-45, Materials Testing and Acceptance - General
- CMM 8-46, Materials Data Collection and Reporting Software System, this is a new section added to the CMM
- CMM 8-50, Materials Testing and Acceptance Guide, this section was reorganized, please review
- CMM 8-65, Asphaltic Binder Materials
- CMM 8-66, Asphalt Mixture Design

Links to the revisions are shown in the Table of Contents as published on the department's roadway standards web page at:

<http://wisconsindot.gov/rdwy/cmm/cm-00-00toc.pdf>

These boxes provide links to the revised section. Look for text boxes in the section to review the context of the specific revision.

***Paragraph 1-65.14.2 revised to detail region responsibilities for submitting structural as-built plans.***

Text shown in **red** after the annotation indicates the latest revision.
