| Project<br>Illinois State Line - Madison |
| STH 11, Avalon Road Interchange          |
| I 39                                     |
| Rock County                              |

In accordance with the Code of Federal Regulations 23, Part 635, Subpart C - Physical Construction Authorization, we certify that arrangements for the following work affecting the subject contract have been completed as required for proper coordination with the physical construction schedules:

- Railroad facilities
- No railroad facilities

Arrangements have been made for insurance protection and/or adjustment of railroad facilities and/or acquisition of railroad land interests as required by Code of Federal Regulations 23, Part 646, Subpart A – Railroad Highway Insurance Protection, Subpart B – Railroad Highway Projects, Part 710, Subpart B - State Highway Department Responsibilities and such policies and practices as agreed to between the Department and the Federal Highway Administration.

Comments:  
 This project is clear to let from a railroad perspective.
