Manifest Signing Checklist for WisDOT Projects

1. Generator's US EPA ID number – make sure this matches the EPA number assigned by DNR. If waste is the result of an UST removal and under 2205 pounds, VSQG status (Very Small Quantity Generator) will apply. This section will then read VSQG Exempt.
- A. Manifest Document number – this should be filled in. If not, fill in X000
3. Generator's Name and Mailing Address:
For all region's projects this should read:
XXXX-XX-XX (project ID) ___ Site Name___
WisDOT BEES Attn: Hazardous Materials Specialist
PO Box 7965 Room 451
Madison WI 53707-7965
4. Generator's Phone: 608-266-1476
- Items 5-6. Be sure that the transporter company's name and EPA ID number are filled in. (This should always be the current statewide hazardous waste disposal contractor's name)
- Items 7 – 10 are filled in by the hazardous waste contractor.
- Items 11 – 14 review the quantity of waste being shipped and make sure that the number and types of containers and their contents match the number and type on this list.
DM = Metal Drum
CM = Metal Cartons or roll-off boxes
There is a complete list of container types on the back of the form.
 Make sure the containers are all labeled and that the labels match the information on the form.
15. If these are containers of sludge from a tank removal note it in this section. " One time disposal of sludge from tank removal".
16. Print your name and title in the left box; sign your name in the right box. Be sure to date it.
17. Make sure the transporter signs and dates this section.
- The hazardous waste contractor will send copy # 1 to the DNR address at the top of the form within 24 hours of pickup. If you receive copy # 1 of the form, send it to the DNR right away.
- Keep copy # 2, photocopy it, and send the original to BEES Attn: Hazardous Materials Specialist at the address in item #3 above.
