New Oversize Permit Unit Counter Requirements

We are now located at 4822 Madison Yard Way, behind the old Hill Farms building.

Appointments are required for all in-person Oversize Permit services and will only be scheduled between 9:00AM and 3:00PM.

Without an appointment, you will be unable to access the Oversize Permit office on the 3rd floor. Visitors coming to the Oversize Permit office will need to have their names listed on the appointment notification at the front desk and a photo I.D. will be required for each visit.

Appointments can be made by emailing oversize-permits.dmv@dot.wi.gov or by calling (608) 266-7320.

Please make appointments in advance as time slots fill quickly and there is no guarantee that an appointment can be made the same day.
