

*****NOTICE OF UPCOMING CHANGES TO WHOLESALE DEALER APPLICATION PROCESS*****

Beginning January 1, 2021, the Department of Transportation is changing the process for approving and issuing new wholesale dealer licenses.

New wholesale dealer applications received on or after January 1, 2021, will be subject to the following requirements:

- There are **no changes** to the required forms and fees. Continue to follow the instructions listed on the [Wholesale Dealer License page](#).
- After submitting your application, you will be contacted to register for and **attend an online Wholesale Dealer Training course**. This course will teach the basic laws and requirements wholesale dealers must follow.
- Following the course, you must take and pass an online exam.
- Your application is not considered complete and **will not be approved** until all owners attend the course and each pass an online exam.

If you have questions regarding these new requirements, please contact the Dealer Licensing Unit at 608-266-1425 and ask to speak with a Dealer Trainer.
