An occupational license is a restricted driver license. Unlike a regular license, you are limited in where and when you can drive. You may only drive to and from work or church or other places indicated on the license and during specific times of the day. You may not use an occupational license for recreational purposes or to operate a commercial motor vehicle. Your total driving time is limited to 12 hours each day and no more than 60 hours for the entire week. If you operate outside those specific hours or for a purpose not permitted on the license, you may be cited for operating after suspension or revocation. If you need to drive in another state, you need to ensure that the other state allows operation with a Wisconsin occupational license. All states may not honor a Wisconsin occupational license.

**WHO MAY BE ELIGIBLE**

If you are a Wisconsin resident, you may be eligible to obtain an occupational license if your operating privilege was revoked or suspended under the following circumstances:

- A traffic offense under Ch. 343 Wis. Stats.
- A drug conviction under s.961.50 (except juveniles).
- Nonpayment of child support under s.767.303.
- An Habitual Traffic Offender (HTO) or Repeat Habitual Traffic Offender (RHT) under Ch. 351 Wis. Stats.

**WHO IS NOT ELIGIBLE**

An occupational license cannot be issued:

- If you are a juvenile who committed offenses under Ch. 938 Wis. Stats.
- If you are under suspension for failing to pay a forfeiture (such as a traffic ticket or municipal citation).
- If your license has been canceled (rather than revoked or suspended).
- If you have never held a driver license.
- If you are eligible to reinstate your driver license after revocation or suspension.
- If you have two or more revocation/suspension cases from separate incidents in a one-year period.
- If you have not served all mandatory waiting periods for an occupational license.
- If you have a lifetime revocation.

**REQUIRED WAITING PERIODS**

Some revocation/suspension cases require that you serve a mandatory waiting period before you are eligible for an occupational license. The waiting period begins on the effective date of your revocation/suspension case. If you have multiple revocation/suspension cases, you must serve all waiting periods. The waiting period may vary depending on your previous driving history and the reason for the current revocation/suspension. All revocation/suspension cases require a 15-day waiting period except for the following:

- Demerit points – no waiting period
- Underage alcohol operation – no waiting period
- HTO or Repeat HTO (RHT) – after 2 years
- Drug Convictions
  - First – no waiting period
  - Second – after 60 days
  - Third or more – after 90 days
- Nonpayment of child support – no waiting period
- Wisconsin OWI-type violations
  - Blood Alcohol Content (BAC) – no waiting period
  - Wisconsin operating while intoxicated (OWI or PAC) convictions
    - First – no waiting period
    - Second and subsequent – after 45 days
  - Causing injury while intoxicated – after 40 days
  - Impaired consent refusal
    - First – after 30 days
    - Second – after 90 days
    - Third or more – after 120 days
  - Negligent homicide while intoxicated or great bodily harm – after 120 days
- Multiple convictions may extend your waiting period.

**EMERGENCY SERVICE PROVIDER**

If you are employed by a unit of government, public utility, medical service provider or provide services to one of these entities, you may be allowed to operate outside the hours listed on your occupational license. When operating at a time not listed on your occupational license, you must be providing life-sustaining services during an emergency. Emergency operation during unlisted hours is only allowed to and from home, work and any emergency site.

An emergency service provider must list less than 60 hours for non-emergency operation to allow for driving time during an emergency. Total hours of operation for both emergency (unlisted hours) and non-emergency (listed hours) cannot exceed 12 hours per day/60 per week.

If requested by law enforcement, you must be able to prove you are providing life-sustaining service during an emergency when operating during unlisted hours.
HOW TO APPLY
You may visit the Wisconsin Department of Transportation’s web page wisconsindmv.gov/occupational to find out if you are eligible for an occupational license.

You may apply for an occupational license at any DMV Customer Service Center (excluding DMV Renewal Offices). Plan to arrive at the DMV Customer Service Center at least two hours before the center is scheduled to close. You need to do the following:

- Complete a Wisconsin Driver License Application MV3001. If you are under 18 years old, a sponsor signature is required.
- Complete an Application for Occupational Operator License MV3027.
- Complete necessary tests, including vision screening.
- Provide proof of your identity.
- Provide an SR22 insurance certificate.
- Pay a $50 fee. Filing an application and paying a fee does not guarantee issuance of an occupational license.
- If you have two or more OWI convictions and are revoked for OWI, DMV must receive proof you have completed an alcohol or other drug assessment and are participating in a driver safety plan.
- If the court has ordered you to install an Ignition Interlock Device (IID), provide proof of installation for every vehicle titled or registered to you unless exempted by the court.
- If you have been revoked as a habitual traffic offender (HTO), the circuit court in your county of residence must approve the issuance of your occupational license.

AFTER YOU APPLY
DMV staff at the Customer Service Center reviews your driver record and application to determine if you are eligible for an occupational license. The staff at the Customer Service Center will immediately process most occupational applications.

If necessary, the DMV Customer Service staff will transmit your application to the DMV Central Office for a complete review of your driver record and application. If Central Office staff determine that you are not eligible, you will be notified that the license will not be issued and why.

Depending upon the hours the Customer Service Center is open, you may receive your occupational license the same day. If it is near the Customer Service Center’s closing time or if your application is being reviewed by the DMV Central Office, you may be asked to return the next day or the next time that Customer Service Center is open to have your occupational license issued.

WHAT TO DO IF YOUR APPLICATION FOR AN OCCUPATIONAL LICENSE IS DENIED
If you are denied an occupational license because you have 3 OWI type offenses within 5 years, or 24 or more demerit points within one year, and provided all required waiting periods are over, you can petition the circuit court in your county of residence for an occupational license. The petition should include a copy of your driver record, your denial letter from DMV, your occupational license application and a nonrefundable fee. You can obtain a copy of your driver record from the DMV by visiting wisconsindmv.gov/ownrecord or writing to:
Division of Motor Vehicles
P.O. Box 7995, Madison, WI 53707-7995

If the court grants your request for an occupational license, take the court order to a DMV Customer Service Center. If you meet all other eligibility requirements, your occupational license will be issued.

If you are denied an occupational license because you have two or more revocation/suspension cases from separate incidents within a one year period, you can petition the circuit court in your county of residence for an occupational license. However, even if the court grants your request for an occupational license, DMV will deny issuance of an occupational license because the law prohibits issuing an occupational license to a person with two revocation/suspension cases from separate incidents, within a one year period.

HOW DO I MAKE CHANGES TO MY OCCUPATIONAL LICENSE
If you need to make changes to your occupational license, fill out a new Wisconsin Driver License Application form MV3001 and an Occupational Operator License Application form MV3027 and take them to a DMV Customer Service Center along with proof of your identity. A $50 nonrefundable fee is required. The $50 fee will be waived one time to change your hours so you may complete your driver safety plan AND you did not list driver safety plan as one of the uses on your current occupational license. Any changes other than changes needed to enable you to complete your driver safety plan require a $50 fee.

If your prior occupational application was approved by the circuit court in the county of your residence, the court must approve any changes.

HOW DO I GET A DUPLICATE OCCUPATIONAL LICENSE
If you lose your occupational license or need to change your name or address, you can get a duplicate occupational license. You do not need to fill out a new Occupational Operator License Application form MV3027. You need to bring proof of your identity and complete a Wisconsin Driver License Application form MV3001 for a duplicate license. There is a $14 fee.

MANDATORY INSURANCE
No person may operate a motor vehicle in Wisconsin unless the owner or driver of the vehicle has liability insurance in effect for the vehicle being operated and carries proof of insurance whenever driving.

Law Enforcement may ask for proof of insurance at any traffic stop or accident. Failure to have insurance could result in up to a $500 fine. Failure to have proof when requested could result in a $10 fine.

You do not need to provide proof of insurance to DMV unless DMV specifically requested proof of financial responsibility (SR-22) after a revocation or suspension or to apply for an occupational license. Refer to Wis. Stats 344.61–344.65 for details.
