

README
WISCONSIN AIR OPERATIONS AREAS (AOA)

The information below provides a reference to where users can download Google Earth for viewing the air operations areas and buffer zone features for Wisconsin public use airports.

DOWNLOAD LOCATION – all versions

Google Earth: <https://www.google.com/earth/versions/>

HOW DO I OPEN (ADD) THE AOA AND BUFFER ZONE FILES TO THE TOOL ONCE I HAVE THEM DOWNLOADED AND UNZIPPED ON MY COMPUTER?

KML\KMZ – Google Earth

Once Google Earth is opened, click File – Open, then browse to the location where the KML\KMZ resides, select the file called and click open.

VIEWING TOOL HELP INFORMATION
