

DBE REPORTER

OFFICE OF BUSINESS OPPORTUNITY AND EQUITY COMPLIANCE

FALL 2025

2025 WISCONSIN TRANSPORTATION ANNUAL

We are proud to share with you the 2025 Wisconsin Transportation Annual

The digital copy at <https://witransportationannual.com/2025/> provides a host of information and articles on various construction projects throughout Wisconsin, and in all modes of transportation. It also includes directories of DOT Staff and industry professionals.

The DBE Reporter newsletter is published by the Office of Business Opportunity and Equity Compliance to educate, highlight, and connect DBE businesses and stakeholders.

40th Annual DBE Workshop and Networking Summit

2

WisDOT continues to recognize companies, organizations and individuals who have exemplified the principles and objectives of the Disadvantaged Business Enterprise (DBE) program. Each year, the WisDOT Office of Business Opportunity and Equity Compliance hosts the Annual DBE Workshop and Networking Summit featuring the Secretary's Golden Shovel Awards to honor recipients of this prestigious award. Nominations for the 2026 Secretary's Golden Shovel Award open October 1, 2025. See the award criteria and submit your nomination today.

2025 SECRETARY'S GOLDEN SHOVEL AWARD WINNERS

(L-R) Crystal Tremmel-Anderson, Tremmel-Anderson Trucking; Tammy McCormack, Century Fence; Matt Grove, WTBA; Scott Cramer standing in for Kim Lobdell, KL Engineering; Jake Anderson and Josh Regent-Smith, Super Western; Bruce Spann, Spann & Associates; Jennifer Marks standing in for Ranard Morris, Forward Service Corporation

SECRETARY'S GOLDEN SHOVEL AWARD CRITERIA

We ask that you use the following criteria when considering a person/business for the Secretary's Golden Shovel Award:

- DBE certified firm, consultant/contractor, whose quality of work is demonstrably superior.
- Contractor or consultant firm who supports the ideals, efforts, and goals of the DBE Program via support, involvement, engagement, or advocacy; the support must be beyond meeting participation goals.
- Contractor or consultant firm whose workforce demonstrates diversity in its staff and or workforce that exceeds the diversity of the community, including the Highway Construction Skills Training (HCST) program participation or utilization.
- Prime contractor or consultant who subcontracts to DBE firms absent DBE goals and/or provides supportive services to help remove barriers to participation such as mentoring and technical assistance.

- Progressing DBE certified firms who have worked on WisDOT contracts for less than 2 years who demonstrate the positive image and values of the DBE program.
- Individuals, organizations, groups, and agencies who have demonstrated notable support of the WisDOT DBE Program principles.

To nominate an individual/firm/agency for the Secretary's Golden Shovel award consider what you have observed or knowledge that you have of that individual, firm, or organization's contributions to meeting DBE program objectives in 2025. Please include examples that support your nomination for the candidate when completing the [nomination form](#).

If you have any questions on your nomination, please call Rosalind Roberson at (414) 266-1172.

WisDOT Overall DBE Goal Summary Report

Federal Fiscal Year 2025: October 2024 - June 2025

3

OVERALL DBE ANNUAL GOAL - 12.42%

KYLE CARVER

COMPLIANCE SPECIALIST SR/INVESTIGATIONS LEAD

Kyle works with employees and contractors to resolve wage issues while assisting stakeholders.

Kyle attended the University of Wisconsin-Whitewater, graduating in 2020 with a degree in General Business. In May 2019, Kyle began his time in the Office of Business Opportunity and Equity Compliance (OBOEC) section as a Compliance Intern. He worked with the OBOEC team that monitors compliance of contractors with state and federal provisions on our highway construction contracts. Kyle also worked on compliance investigations, eventually becoming the Investigations Lead in 2021.

As the Investigations Lead for OBOEC, Kyle conducts wage investigations on our highway construction projects statewide. He works directly with employees of companies who have issues or questions regarding their prevailing wages. A wage investigation is never fun, as it means employees may be underpaid and a contractor may not be in compliance with the Davis-Bacon and Related Acts. When investigations take place, Kyle aims to facilitate these issues to a productive resolution. This involves working with contractors, employees, project staff, and numerous other stakeholders to resolve wage issues. Analyzing check stubs, timesheets, and other labor data is part of the process to reach a conclusion on an investigation. Kyle has a passion for helping all parties work through these tough issues. He provides education to contractors found non-compliant to ensure they are in compliance in the future. He also helps employees navigate these stressful issues and provides them with helpful resources.

Kyle has recovered hundreds of thousands of dollars in back wages to underpaid employees in his time as Investigations Lead and has assisted numerous contractors in their efforts to be in compliance. Kyle serves as the Compliance Specialist on multiple Southeast Region construction projects in addition to investigations work. He also serves as the DBE Liaison for the Compliance Section, assisting with monthly Bid Lettings

Kyle aspires to be a helpful force for employees experiencing wage issues, contractors desiring to be in compliance, his colleagues, and any other external stakeholder.

and Attachment A collections. Kyle additionally is the Liaison to the United States Department of Labor (USDOL) for the Compliance Section. He assists internal staff and external stakeholders with contractual issues, technical questions and shares knowledge of rules and regulations that he has acquired over his time to help resolve issues.

In his spare time, Kyle enjoys spending time with his wife Kayla. He also spends lots of time with his family, assisting his elderly family members with their daily needs. He enjoys competing in recreational sports, camping, and travelling with his wife. When he's not cheering on the Packers, Brewers or Bucks, you can find Kyle on a golf course (most likely slicing his drive into the trees). Kyle is committed to serving those working hard on our projects and being a positive force for every person he interacts with.

Transportation Advisory Committee for Construction (TRANS-AC)

Bimonthly meeting of the TRANS-AC stakeholder group to discuss current updates with construction industry stakeholders, DBE program and DBE industry construction firms.

DBE Stakeholder Advisory Committee

Currently, there are DBE Stakeholder Advisory Committees operating in the Southeast and Northeast Regions. The DBE Stakeholder Advisory Committee works with WisDOT on the following:

- Approaches to achieve greater DBE participation and strategies to monitor progress
- Upcoming transportation projects and learning about opportunities to partner with other firms
- As a liaison to communities
- Creating and implementing strategies for cultivating a diverse workforce

The DBE Stakeholder Advisory Committee is also an opportunity to offer your perspective about potential improvements to WisDOT's DBE program.

WisDOT is seeking the participation of more DBE firms. The DBE Stakeholder Advisory Committee meets on a quarterly basis.
