

Wisconsin Department of Transportation

2023 Contractor Training & Civil Rights Compliance System (CRCS) Training

WHO SHOULD PARTICIPATE?

This training will offer contractors information and resources on how to meet prevailing wage and certified payroll reporting requirements when working on Wisconsin Department of Transportation (WisDOT) construction projects.

WHAT TOPICS WILL BE COVERED?

The **Contractor Training** will cover contract requirements for WisDOT projects including identifying Federally funded projects, Davis-Bacon Federal Wage Determinations, Additional Special Provisions (ASPs), Federal law overtime, fringe benefits, deductions, paying correctly, apprentices, job site posting board, trucking, roles and responsibilities, and contract compliance investigations.

The **Civil Rights Compliance System (CRCS) Training** is geared towards all user levels and will walk through user functions such as modifying company and employee information, finding project details and wages, submitting payrolls, running reports, and assigning subcontractors.

We encourage you to join the session where most of your work may be, but feel free to select a session that works best with your schedule.

Registration is not required for any virtual sessions. WisDOT will be logged on 10 minutes prior to the training if you would like to check for any technical difficulties.

Registration is required for the in-person training at the Southwest Region office in Madison, WI. Seating is limited so please reserve your spot today - click below!
