

# BUILDING CAREERS BUILDING COMMUNITIES

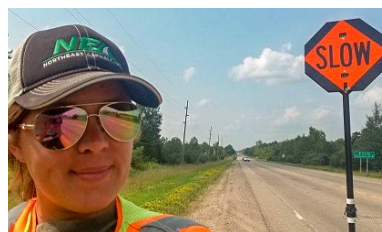

## Skilled workers make a skilled workforce

That’s why the Wisconsin Department of Transportation works closely with partnering agencies to offer – *free of charge* – intensive, 120-hour worksite readiness training through Highway Construction Skills Training, or HCST.

### Make a positive impact

- ◆ Active work environment – no two days are the same
- ◆ Building communities – play a role in big, important work
- ◆ Teamwork – your success is our success

### Are you ready to take the next step?

- ◆ Quickly become “worksite-ready”
- ◆ Compete for good wages
- ◆ Pre-Apprenticeship Certification – master skills and maximize earnings
