All products accepted on the basis of compliance to the National Transportation Product Evaluation Program (NTPEP)

Production of pipe in a NTPEP fully compliant plant is required.

Products must show compliant to both audits and split sample

If the pipe manufacturer plant and size is on the above list and the pipe is stamped "AASHTO M294" and shows no apparent damage , the pipe may be incorporated into the work with a certification of compliance identifying manufacturer, plant , type, size and compliance to AASHTO M 294

Pipe not properly marked AASHTO M 294 shall be rejected
