

RETAINING WALL SYSTEMS

The wall systems herein listed are pre-qualified for use on Wisconsin DOT projects. The companies shown on the lists contained herein are eligible to furnish their products to Department projects according to the applicable specification and/or Policy Memorandum.

While the listed *systems* are eligible for use, all *materials* are subject to the terms of acceptance in the applicable specification, special provision, or other contract provision.

These lists will be updated on an as-needed basis.
