

WISCONSIN DEPARTMENT OF TRANSPORTATION
April 2020 Solicitation

Interview Notification Letter

Two firms have been selected to be interviewed for solicitation SE-02:

Table with 5 columns: ID, Project Name, Region, Project Type, and another ID. Rows include 1229-04-02 IH 043N SE Region, 1030-22-98 IH 041N SE Region, 1060-35-88 Non-Highway SE Region, 3742-00-03 Non-Highway SE Region, and 3742-00-13 Non-Highway SE Region.

All interviews will take place on Wednesday, April 29, 2020 via teleconference number to be provided separately.

Table with 2 columns: Time and Firm. Rows show 10:00 am for AECOM Technical Services, Inc. and 10:50 am for Gilbane Building Company.

- This 40-minute interview includes both the 35-minute presentation and the 5-minute question/answer session.
• Please email a PDF of the presentation to Brian.Roper@dot.wi.gov no later than 3:00 pm on April 28, 2020.
• Additional materials (NOIs, resumes, projects, etc.) will be accepted.
• Questions should be directed to Brian.Roper@dot.wi.gov; no other WisDOT employee may be contacted.

Questions

Please be prepared to answer the following questions during your interview:

1. Project Management and Program Control Delivery – What are your team’s qualifications from the past decade, capacity to deliver over the next three years, and strategies for success on this project?
2. Cost and Schedule Review – What are your team’s qualifications from the past decade, capacity to deliver over the next three years, and strategies for success on this project? Cite specific examples where your team has added value.
3. Mega/Major Program Control Services - What are your team’s qualifications from the past decade, capacity to deliver over the next three years, and strategies for success on this project? Cite specific examples where your team has added value.
4. Regional (3R/Backbone) Program Control Services – What are your team’s qualifications from the past decade, capacity to deliver over the next three years, and strategies for success on this project? Cite specific examples where your team has added value.
5. Innovation – What has your team applied in the past decade and what potential innovations could your team apply to improve efficiency, effectiveness, and/or quality for this project? Please provide details (scope; Department savings of cost and/or time) as well as noting those ideas not implemented.
