

August 2025 Solicitation Questions and Responses

Solicitation	Project	Question	Response
NC-02	1176-22-12	Is the depth of the thin concrete overlay determined or is this intended to be a thin polymer overlay?	These are thin concrete overlays with a defined minimum concrete thickness.
NE-01	4540-37-21	What is the ROW Clear Date for the project?	5/1/2027
SW-02	1015-10-00	Will the Corridor Team be responsible solely for overseeing supplemental design features such as ITS, signals, lighting... or will they also be directly involved in designing these elements?	The corridor team is responsible for overseeing supplemental design; however, could be directed to provide supplemental designs as well.
