RE: WisDOT RFP Contract #510475

David_Cavallin@newflyer.com
New Flyer of America Inc.,

The Wisconsin Department of Transportation (WisDOT) has established a Heavy Duty Bus (HDB) contract and your company has been awarded.

The WisDOT Transit Section staff (as well as municipalities in the state) will be contacting you with purchase orders for this line item. Each purchase order and delivery document should be sent to a WisDOT Transit Program Manager or Transit Procurement Manager and reference contract #510475.

Per section 1.7 of RFP #510475, this contract shall be valid for two (2) calendar years, with the possibility of three (3) one-year renewal options. Price changes regarding the option renewals are discussed in the RFP document.

If it is acceptable, please have the appropriate agent sign below the offer confirming your understanding that your company will be included in the HDB contract and that all state and federal requirements as well as vehicle specifications will be based off the information in the Request for Proposal (RFP), all addendums, and your submitted proposal documents.

Please email the signed document to me upon completion and thank you for your participation in the WisDOT HDB solicitation!

Joe Turchi
WisDOT Transit Section – Procurement & Contract Administration Manager
608-267-3568

Yes, I agree to the terms and conditions of the RFP Proposal #510475 and agree to be included on the Wisconsin Department of Transportation's HDB Contract.
