GENERAL INFORMATION APPLYING TO ALL SURPLUS LAND SALES

The Wisconsin Department of Transportation (also referred to as the "Department") urges you to visit and inspect the surplus parcel you are interested in before you bid. All lands will be conveyed on an "as is" basis. Ignorance of any condition of the site will not allow you to withdraw or adjust a bid after it is opened.

We urge you to secure firsthand information about the local real estate tax rate, utility services, zoning ordinances and building codes. With that information, you will be in a position to accurately determine the utility of the land and to prepare a bid reflective of that utility.

GENERAL TERMS OF SALE

1. **Deadline for Bid Opening:**
It shall be your duty as a bidder to see that your bid is delivered within the time and at the place prescribed in this bulletin. No bid received after the time fixed in this invitation for the opening of bids will be considered and those bids will be returned unopened. Bidders are welcome to attend the bid opening but attendance is not mandatory.
2. **Award of Bid:**
After payment of the full bid price, the Department will award title of the subject property to the bidder whose bid conforms to the terms and conditions stated in this bulletin and who has the highest dollar value bid acceptable to the Department. While there is no minimum bid requirement, the Department reserves the right to reject all bids if no bid is received that would be in the best interest of the Department to accept. In the event two or more acceptable high bids are received that are equal in all respects, the selection will be made by a lottery limited to the tied bidders.
3. **Modification or Withdrawal of Bids:**
The Department will not entertain claims from bidders for withdrawal or modification of bids after the bid opening because of ignorance of the condition of the subject property offered for sale or misinterpretation of the terms and conditions of the sale.
4. **Notice of Acceptance or Rejection of Bids:**
You will be notified by mail of acceptance or rejection of your bid within ten (10) business days after the day of bid opening.
5. **Contract for Sale:**
After the high bid was been accepted by the Department and the sale approved by the Governor, a sale agreement between the successful bidder and the state shall exist. Such agreement shall constitute the whole contract to be succeeded only by the formal conveyance instrument unless

modified in writing and signed by both parties. Neither oral statements nor representations made by or for, or on behalf of either party shall become part of such contract; nor shall the contract or any interest therein be transferred or assigned by the successful bidder without written consent of the Department. Any assignment transaction without such consent shall negate the sale. See Item 7 below.

6. **Grounds for Rejection of Bids:**
The Department expressly reserves the right to reject any and all bids when deemed as irregular or when not in the best interest of the Department to accept. Bids containing any qualifying or contingent clauses not mentioned in this bulletin will be declared irregular and rejected. Minor irregularities in the bid form such as misspelled words, may be waived and the bid accepted.
7. **Forfeiture of Bid Deposit:**
In the event of a default by the winning bidder in the performance of the contract of sale created by the Department accepting that bid, the bid deposit shall be forfeited. The Department shall take such actions, as it deems necessary and appropriate, to enforce the contract. Those actions may include legal redress, awarding title to the second acceptable high bidder or re-advertising the site for sale.
8. **Transfer of Title:**
Transfer of title to the subject property to the successful bidder will be via a Quit Claim Deed. The deed will be executed by the Department on behalf of the State of Wisconsin and will recite approval of the Governor as required by the Section 84.09(5), Wisconsin Statutes. A Quit Claim Deed, which includes the legal description and deed restrictions, is included on pages 6 and 7.
9. **Final Payment to Seller and Recording of Deed:**
In the event the Department accepts the highest bid, the winning bidder shall, on a mutually agreeable date not later than 60 days after acceptance of the bid or Governor's Approval of the sale, whichever is later, tender to the Department the balance of the purchase price. Upon receipt of that payment, the Wisconsin Department of Transportation will record the Quit Claim Deed at the Brown County Register of Deeds Office.
10. **Delivery of Deed:**
Once the deed has been recorded, the Department will deliver the original deed to the buyer.
11. **Title Evidence:**
Buyer will assume the expense of procuring any abstracts or title insurance as may be required.
12. **Certified Surveys:**
A certified survey has been completed for the subject property; a copy is attached.
13. **Special Assessments:**
The buyer will assume the payment of any unpaid deferred charges or special assessments for public improvements levied against the subject property at the time of sale. Amounts of these outstanding charges will be disclosed in the bulletin if known. None are known to exist.
14. **Real Estate Taxes:**
The buyer will be liable for all general real estate taxes levied against the subject property after title is transferred. Property is currently tax exempt.
15. **Inspections:**
Any qualified prospective bidder may physically inspect the property. The property is being sold 'as is' with no warranties as to condition or use. It is advised that all bidders research thoroughly, exercise due diligence, and seek professional advice if necessary regarding the property for sale.
