(Authorized Dealership Agent, Title) (Date)

General Information

Dealers, distributors and manufacturers of semitrailers and trailers are not licensed as such, but are eligible for trailer dealer license plates to be authorized to move their empty trailers on the highway.

A trailer dealer may also obtain trailer demonstration plates if he/she has first obtained a dealer plate. Such demonstration plate authorizes a prospective trailer purchaser to trial test the loaded trailer for no longer than 10 days. Application form MV2185 is available upon request.
