

**APPENDIX LS-E
LIST OF PREPARERS**

**THIS PAGE INTENTIONALLY
LEFT BLANK**

Appendix E List of Preparers

The List of Preparers has been updated to include the personnel involved in the preparation and review of the LS SDEIS.

Maroon text signifies updates addressing changed conditions or analysis, clarifications, or additional information. Items that are considered revisions that target specifically identified issues in the January 19, 2012 Notice of Intent to prepare an LS EIS are shown in blue text.

Yellow highlight signifies updates from the LS SDEIS to this combined LS SFEIS and ROD (LS SFEIS/ROD). For tables and figures, the title of the Table or Figure has been shown in maroon or blue to indicate whether it has been revised since the 2010 FEIS.

Organization	Responsibility	Qualifications
Federal Highway Administration		
Tracey Blankenship	Review of LS SFEIS/ROD for purpose and need and alternatives screening aspects.	B.S., Civil Engineering; 24 years of experience in highway project development and environmental review
Bethaney Bacher-Gresock	Review of LS SFEIS/ROD for environmental aspects.	B.S. Environmental Studies and Biology; Experience with the environmental project development process of federal-aid highway projects since 2001.
Andrew Brinkerhoff	Review of LS SFEIS/ROD for all aspects	B.S. Civil Engineering Experience with the environmental project development process of federal-aid highway projects since 2010.
David Platz, P.E. PTOE	Review original EIS for environmental and design aspects.	M.S., Civil and Environmental Engineering. Experience since 1999 in highway design, construction, and environmental assessment.
Mark Chandler, P.E.	Review original EIS for environmental and design aspects.	B.S., Geoenvironmental Engineering. Experience since 1990 in civil engineering; highway-related experience at FHWA since 2000.
Roger Szudera	Review original EIS for social and economic aspects including relocation assistance and agricultural impact statement.	B.S., Agricultural Economics. Experience since 1969 in R/W acquisition and environmental document preparation and review.
U. S. Army Corps of Engineers		
Jerry Smith	Project Manager/Ecologist Protection Specialist: Prepares Decision Documents for Corps Regulatory Permits	B.S., Wildlife Management with Graduate Course Work in Wildlife Ecology. Experience in Wetland Regulation with Corps Regulatory Program.
Wisconsin Department of Natural Resources		
Julie Widholm	Environmental Analysis and Review Specialist - Updates to Threatened and Endangered Species	B.A. Biology. With WDNR since 2006 working with wildlife management program and performing environmental assessments of highway design since 2011.
Bobbi Jo Fisher	Environmental Analysis and Review Specialist	B.S., Water Resources. With WDNR since 1997 performing environmental assessments of highway design and construction projects.
Joanne Kline Environmental Analysis and Liaison Section	Project Manager: Alternatives Impact Analysis, Environmental Document, 6(f) Property Mitigation, Public Involvement	B.S., Civil Engineering. Experience since 1987 in highway planning, traffic, design, and construction.
Wisconsin Department of Transportation		
Colleen Harris, P.E.	Project Supervisor	B.S., Civil Engineering. Experience since 1990 in highway planning, design, and construction.

Appendix E List of Preparers

Organization	Responsibility	Qualifications
Jill Michaelson, P.E.	Project Supervisor Review of Purpose and Need and Alternatives Analysis	B.S., Architectural Engineering. Experience since 1987 in highway planning, design, construction and traffic.
Robert Wagner, P.E.	Project Manager: Alternatives Impact Analysis, Environmental Document, Public Involvement	B.S., Civil Engineering. Experience since 1991 in highway planning, design, and construction.
Jenny Cavanaugh	Transportation Planner, Alternative Impact Analysis, and Public Involvement	MUP in Transportation. Experience since 1992 in highway planning and environmental document research.
Chris Cullotta	Public Involvement	B.A., Political Science. Experience since 1998 in highway planning and environmental document research.
Mike Helmrick	Environmental Coordinator for EIS; wetland delineation, wetland mitigation	B.S., Watershed Management. Experience at WisDOT since 1999.
Carrie Webb	Environmental Coordinator for EIS; Environmental Analysis for noise, air, and hazardous materials	B.A., Biological Aspects of Conservation. Experience at WisDOT since 2001.
Norm Pawelczyk	Conceptual Stage Relocation Plan for EIS.	Certified General Appraiser, WI Real Estate Broker License. Experience in R/W acquisition at WisDOT since 1997.
Shirley Stathas	Review EIS for archaeological aspects and for NEPA and WEPA compliance.	B.S., Speech Therapy and English. Experience since 1985 in archaeological resource issues and environmental coordination and review.
Wendy Braun	Review EIS for Stormwater and Erosion Control aspects and NEPA and WEPA compliance.	B.S., Industrial Engineering; M.S., Civil and Environmental Engineering. Experience at WisDOT since 2000.
Robert Newbery	Central office; Historical review for EIS.	B.A. and M.A., US History. Experience at WisDOT since 1980.
James J. Becker, III	Archaeology Program Coordinator, Liaison with Native American Tribes; Section 106 Coordinator for Archaeology Resources.	B.A., Organizational Management. Experience since 2000 in Transportation Programs.
Carolyn Amegashie	Programming and Planning Analyst for environmental justice and energy issues for EIS.	M.A., Public Policy and Administration. Experience since 1984 in national development issues pertaining to developing countries. Transportation and environmental planning and policy issues since 1992.
Jay Waldschmidt, P.E.	Review EIS for air and noise aspects and for NEPA and WEPA compliance.	B.S., Civil Engineering. Experience since 1990 in air and noise issues, highway design, and environmental coordination and review.
Jon Novick	Environmental Analysis and Review Specialist, Socioeconomics	B.S., Sociology. Experience since 1973 in socioeconomic issues, preparation of environmental procedures, and environmental coordination and review.
John Jackson	Environmental Analysis and Review Specialist, Natural Resources	Ph.D., Entomology. Experience since 1975 in field biology and ecology, systems analysis, and environmental coordination and review.

Appendix E List of Preparers

Organization	Responsibility	Qualifications
Kassandra Walbrun	Land Use/Community Effects/Secondary Effects	B.S., Natural Resources-Landscape Architecture; M.A., Public Administration. Certified by the American Institute of Certified Planners. Experience in local, regional, and state level planning issues since 1993.
Rose Casey	Programming and Planning Analyst for air quality issues	B.S., English and Biology. Experience since 1985 in court investigations, community development grants, multicounty liaison, and regulatory compliance. Transportation and air quality issues since 2001.
Gary Birch	Programming and Planning Analyst for State Highway Programs and Endangered Resources Issues	B.S., Natural Resources Management. Experience since 1975 with U.S. Forest Service and WDNR; Transportation issues since 1992.
Wisconsin Historical Society		
Kelly Hamilton, Program Director, Wisconsin Historical Society (WHS)	Principal Investigator/Program Administrator; initial evaluation as to NRHP eligibility, documentation of effect, data recovery plan.	B.A., Anthropology; M.A., Anthropology/Archaeology. 30 years experience in Cultural Resource Management. Director of Museum Archaeology Program, WHS since 2003.
Timothy Heggland, Architectural Historian, WHS	Architecture/history survey and reporting, initial evaluation as to NRHP eligibility, and documentation of effect.	B.A., Art History. 30+ yrs experience; worked as a consultant, with the City of Madison as a Preservation Planner for City of Madison, and for the past 6 yrs with the Museum Archaeology Program, WHS.
Kent Dickerson, Archaeology Field Coordinator, WHS	Co-Principal Investigator/ archaeological investigations and technical reporting.	B.A., Sociology/Anthropology; M.S., Anthropology/Archaeology. Experience in Cultural Resource Management since 1989, Project Archaeologist with the Museum Archaeology Program, WHS since 1993.
Consultants		
Thomas Lynch, P.E., PTOE Strand Associates, Inc.	EIS preparation of purpose and need and alternatives	B.S., Construction Engineering B.S., Civil/Environmental Engineering. Professional Engineer in Wisconsin. Experience since 1984 in highway design, construction, and environmental analysis.
Tory Kress, P.E. Strand Associates, Inc.	EIS review and preparation, data gathering, impact analysis, graphics.	B.S., Civil Engineering. Experience since 2000 in environmental reviews associated with transportation improvements.
Jim McCarthy Strand Associates, Inc.	EIS preparation, natural environment data gathering, updates to T&E, wetland, and field review for environmental consequences.	B.S., Environmental Science; M.S., Plant Biology/Restoration. Experience since 1989 in environmental evaluation, wetlands, ecology, land restoration, and management.
Stephanie Thomsen Strand Associates, Inc.	EIS preparation, data gathering, impact analysis, graphics.	B.S., Civil Engineering. Certificate in Environmental Engineering. Experience since 2005 in environmental evaluation.
Luke Hellermann, P.G. Strand Associates, Inc.	EIS review and preparation, data gathering, impact analysis, graphics.	B.S., Geology. Experience since 1991 in environmental review and compliance, Phase I and II Site Assessments, and environmental documentation.

Appendix E List of Preparers

Organization	Responsibility	Qualifications
Jennifer Zlotocha Strand Associates, Inc.	EIS preparation, data gathering, impact analysis, noise impact evaluation, graphics.	B.S., Civil Engineering. Experience at Strand Associates since 2008.
Scott Cramer KL Engineering	Noise impact evaluation	B.S., Biology/Environmental Sciences; M.S. course work in Environmental Sciences; 19 years of experience in environmental analysis and document preparation
