

WIS 96 Project Update

**Tim Rank, Project Manager
Jeremy Bartz, Project Leader**

**WisDOT
July 2020**

WIS 96

- Overview

- Proposed Project Scope/Need
- Proposed Improvements
- Right-of-way Needs
- Traffic Control
- Schedule
- Resources
- Project Contacts

WIS 96

Proposed Project Scope/Need

- Projects 4075-35-71 and 4075-35-72 include 4.9 miles of WIS 96 from Claribel Street to County D, between Kaukauna and Wrightstown in Brown & Outagamie County (will be built together)
- Last improvement project took place in 2000 and 2005

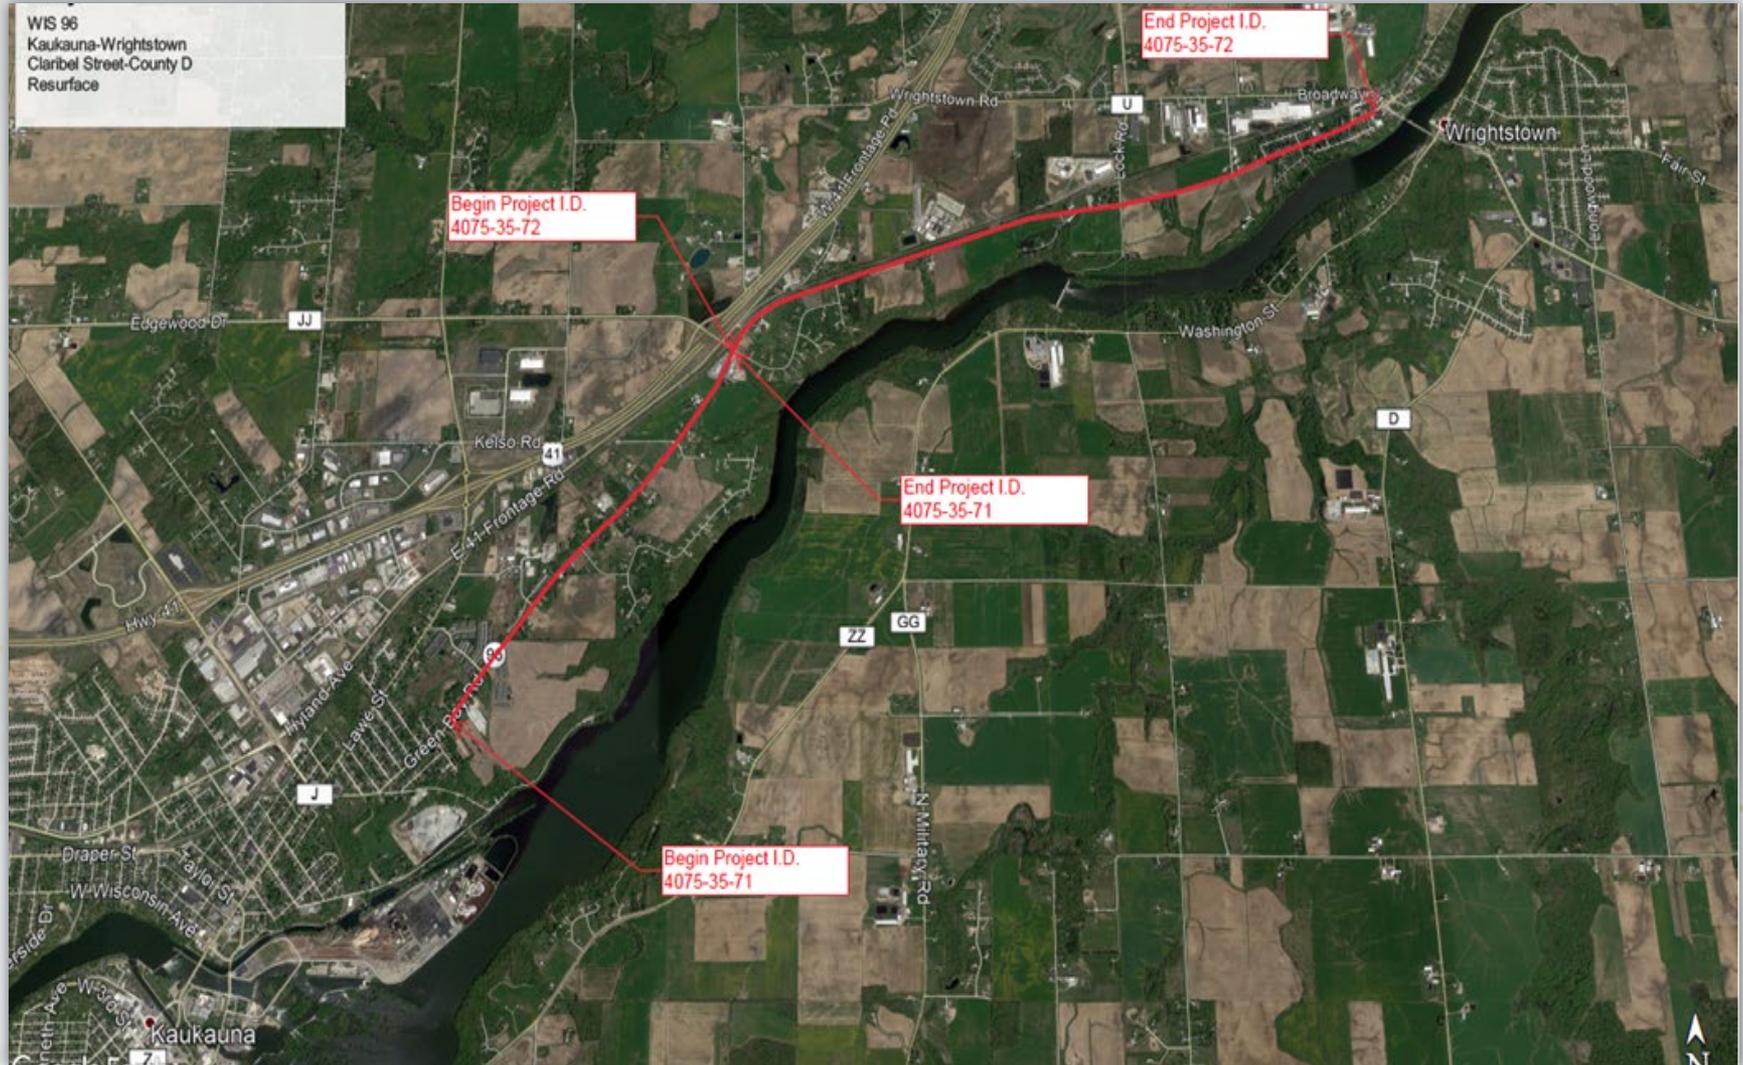

WIS 96

Proposed Project Scope/Need

- Deteriorating pavement, drainage structures, curb and gutter, and sidewalk need repair
- Multiple curb ramps along the corridor are currently not Americans with Disabilities Act (ADA) compliant.

WIS 96

Proposed Project Scope/Need

WIS 96

Proposed Improvements

- 4075-35-71 (Claribel Street to County JJ)
 - Resurface level improvement: mill and overlay within the existing pavement footprint
 - Culvert pipe repair/replacement-2 locations
 - Miscellaneous curb & gutter repairs
 - Curb ramp improvements at Lamp Lighter Dr.
 - Pavement marking
 - Shoulder work
- Additional project information, including project displays, can be found at the design website listed on the Resources slide.

WIS 96

Proposed Improvements

- 4075-35-72 (County JJ to County D)
 - Resurface level improvement: mill and overlay within the existing pavement footprint
 - Culvert pipe repair/replacement-5 locations
 - Storm sewer repair/replacement-4 locations
 - Miscellaneous curb & gutter or sidewalk repairs
 - Curb ramp improvements at all intersections within Wrightstown
 - Pavement marking
 - Shoulder/centerline rumble strips: from County JJ to Van Dyke Street
 - Shoulder work: from County JJ to Van Dyke Street
- Additional project information, including project displays, can be found at the design website listed on the Resources slide.

WIS 96

Right-of-way Needs

■ Temporary Limited Easements (TLE)

- Will be needed at some culvert replacement locations to allow for temporary disturbance and sufficient work space to repair pipes
- Needed at most curb ramp improvement locations within the Village of Wrightstown to allow grading and blending in of adjacent properties

■ Permanent (Fee)

- Will be needed at some curb ramp improvement locations in the village of Wrightstown due to updated layout of the sidewalk
- Will purchase area where existing sidewalk is outside of the existing right of way to place the sidewalk into WisDOT right of way for future maintenance needs
- May need at select culvert locations...to be confirmed in final design

WIS 96 Traffic Control

- Work expected to take place under flagging operations with single lane closures
- Road will remain open to traffic during construction for the majority of the project....except:
 - Short term detour will be needed for culvert pipe replacements
 - Tentative detour = WIS 55 - I-41 - County U

WIS 96 Schedule

- Additional public outreach will be conducted in late 2021 to provide updates prior to real estate acquisition and final design.
- Real estate acquisition will begin in early 2022.
- Design is on-going and will continue through the summer of 2023.
- Construction is tentatively scheduled for 2025 with the possibility of advancement to 2024 if funding becomes available.

WIS 96 Resources

- Design website
 - <https://wisconsindot.gov/Pages/projects/by-region/ne/96kauwrit/default.aspx>
- See website for comment sheet and exhibits
- Track the project during construction on the WisDOT Northeast Region Construction Website
 - <https://projects.511wi.gov/region/northeast>
- In This Together
 - Recognizes businesses located in work zones have special needs
 - The program is offered to business and community leaders as an idea source as they plan for road construction in their area
 - Find out more at: <http://wisconsindot.gov/Pages/projects/in-together/default.aspx>
