

# WIS 55

## Local Officials Meeting

Tim Rank, Project Manager

Alan Farrell, Project Leader

Mason Simmons, Project Engineer

**WisDOT**

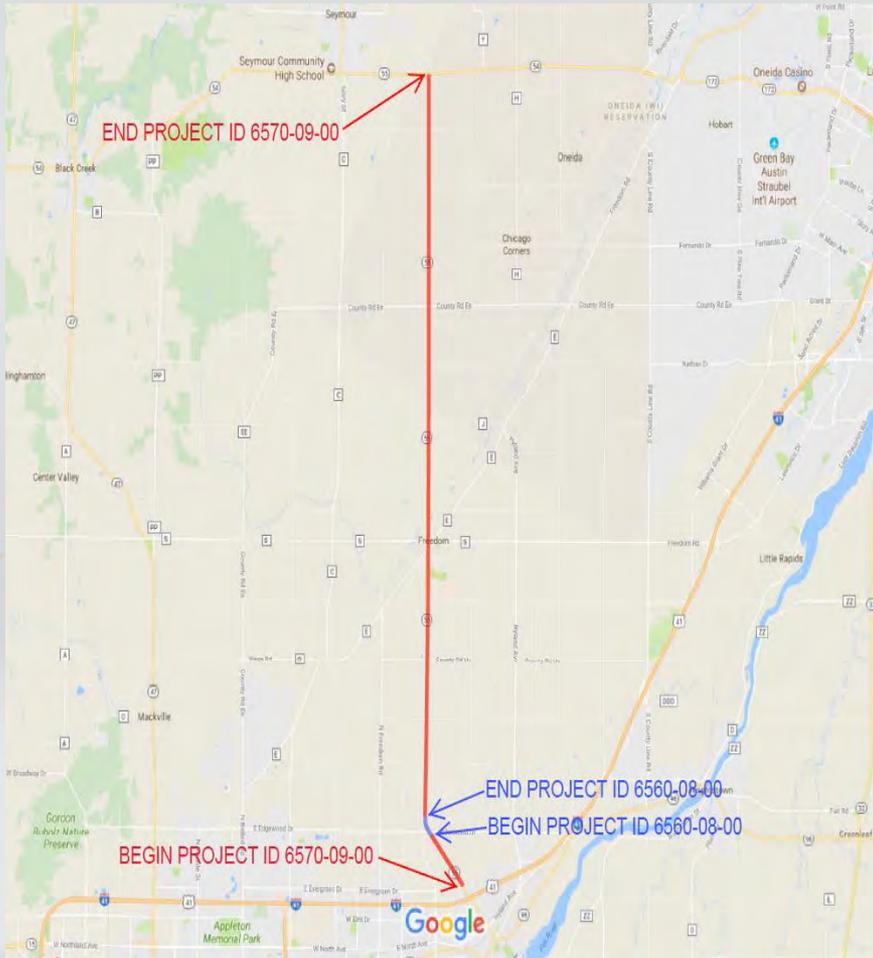

November 28, 2018

# WIS 55

- Meeting Overview
  - Proposed Project Scope/Need
  - Proposed Improvements
  - Right-of-Way Needs
  - Traffic Control
  - Schedule
  - Other Planned Projects
  - Project Contacts

# WIS 55

## Proposed Project Scope/Need

- Last resurfacing on WIS 55 took place in 2002 and 2003
- Deteriorating pavement
- Deteriorating culvert pipes
- Safety issues at WIS 55 and County JJ intersection

# WIS 55 (6570-09-00) IH 41 to WIS 54

- Resurface level improvement (mill/overlay)
- Curb ramp improvements
- Miscellaneous curb and gutter repair
- Guardrail replacements
- Culvert replacements
- Centerline and shoulder rumble strips
- Pavement markings

# WIS 55 (6560-08-00) County JJ Intersection

- Need For Project
  - Safety (Crash History)
    - Five Years (2012 to 2016)
    - 13 Crashes
    - Main crash type is drivers stopping at stop sign on County JJ and failing to pick an adequate gap to enter or cross WIS 55
    - 62% of the crashes involved an injury and 1 fatal accident occurred in 2015

# WIS 55 (6560-08-00) County JJ Intersection

- Alternatives Considered
  - Four-Way Stop Controlled
  - 2 Three-Legged Intersections
  - Single Lane Roundabout

# WIS 55 County JJ Intersection

# WIS 55 County JJ Intersection

# WIS 55 (6560-08-00) County JJ Intersection

- Reconstruction of intersection of WIS 55 and County JJ with roundabout
- Lighting
- Signing
- Culvert replacement/extension
- Guardrail replacement
- Pavement markings
- Curb and gutter

# WIS 55

## Right-of-Way Needs

- Right-of-way needs
  - Temporary Limited Easements (TLE)
  - FEE areas
- Right-of-way acquisition tentatively scheduled to begin in the Summer 2020

# WIS 55

## Traffic Control

- Flagging operations with single lane closures during mill and overlay operations
- Road closed to traffic with a detour route for the construction at the intersection of WIS 55 and County JJ and at some culvert replacement locations

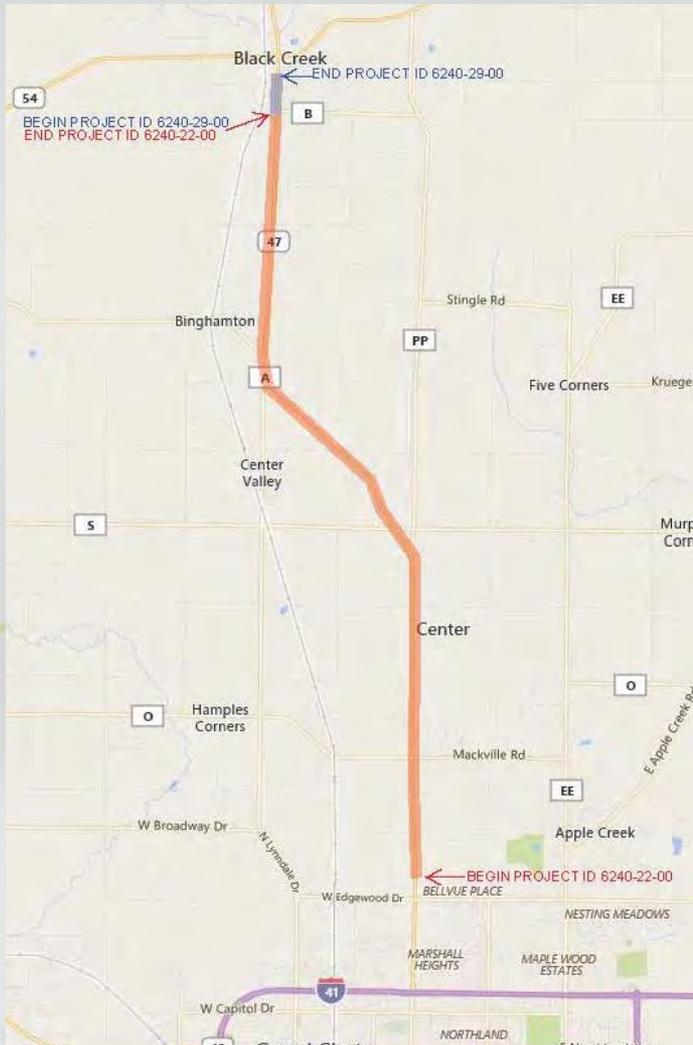

# WIS 55 Schedule

- A public involvement meeting (PIM) is scheduled for December 12, 2018.
- Design is on-going and will continue through the fall of 2022.
- Utilities to be moved one year prior to construction.
- Real estate acquisition is anticipated to begin in the summer of 2020.
- Construction is tentatively scheduled for 2023.

# WIS 55

## Other Planned Projects

### ■ WIS 47

- Appleton to Black Creek
- Tentative construction in 2025...possible advancement to 2022 if funding is available

### ■ WIS 54

- Seymour to Green Bay
- Tentatively construction in 2025 possibility of advancement to 2024 if funding is available

# WIS 47

## Resources

- Track the project during construction on the WisDOT Northeast Region Construction Website
  - <https://projects.511wi.gov/region/northeast>
- In This Together
  - Recognizes businesses located in work zones have special needs
  - The program is offered to business and community leaders as an idea source as they plan for road construction in their area
  - Find out more at:  
<http://wisconsin.gov/Pages/projects/in-together/default.aspx>
