

WIS 27 Pavement Replacement

WIS 70 East to WIS 40

July 2026

The Wisconsin Department of Transportation (WisDOT) is in the process of designing a proposed roadway improvement of WIS 27 between WIS 70 East and WIS 40, all in Sawyer County.

Proposed Improvements:

- Milling the existing asphaltic pavement
- Pulverizing and mixing the existing asphalt with an asphalt emulsion to stabilize the base
- Paving with new asphalt
- Placing and shaping gravel to build existing gravel shoulders up to match level of new paved surface
- Replacing and adjusting culverts and guardrail as needed
- Replacing curb, gutter, sidewalk curb ramps and storm sewer within the village of Radisson
- Replacing the Hemlock Spur Creek culvert with a box culvert

Traffic Impacts:

During construction, WIS 40 will be closed.

- Through traffic will be detoured via WIS 40, County D and WIS 27.
- Access will be maintained for local traffic

Project Location Map

Proposed Detour Route

Schedule:

- Construction is expected to take place in the summer of 2029.
