

Wisconsin Department of Transportation

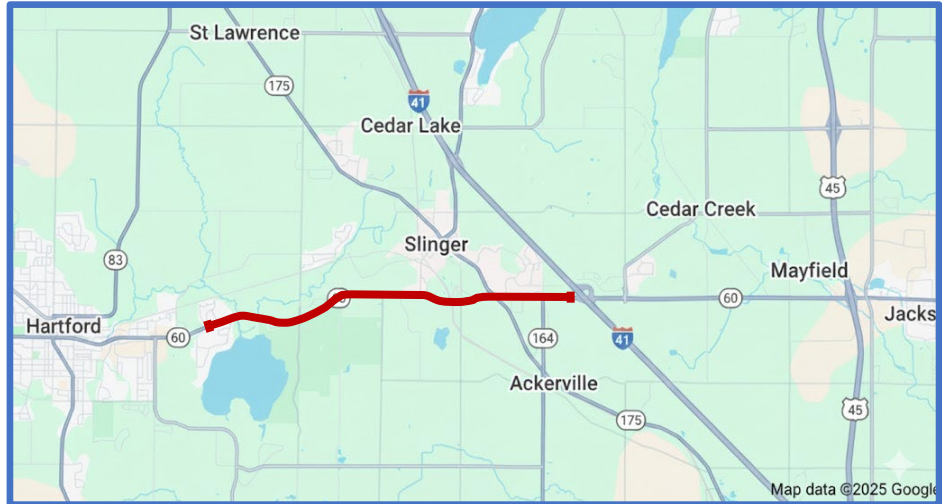

WIS 60 Resurfacing - Wayside Drive to I-41 Interchange

The Wisconsin Department of Transportation (WisDOT) is proposing to improve 4 miles of WIS 60 in Washington County.

The purpose of this project is to address deteriorating pavement condition and decreased ride quality on WIS 60, to assess multimodal accommodations along the corridor, and to upgrade the traffic signals.

Proposed Improvements:

- 4-inch mill & overlay of WIS 60.
- Replace traffic signals and implement intersection operational improvements at WIS 60/164 intersection.
- Add bicycle and pedestrian accommodations (sidewalks and shared use path). Upgrade curb ramps.
- Repair bridges, replace guardrail, and upgrade storm sewer.

Construction is anticipated to start as early as Fall 2026.

You're Invited!

Join WisDOT for a **public involvement meeting** to learn more about the project, get your questions answered, and provide input to the project team:

- **Tuesday, January 13th, 5:00 p.m. to 7:00 p.m.**
- **Village of Slinger, Village Hall**
300 Slinger Road, Slinger, WI 53086

The meeting will be conducted in an open-house format, providing attendees the opportunity to review exhibits, ask questions, and share input on the proposed improvements. If you would like an interpreter for the meeting, contact the project manager below. Hearing and visually impaired individuals may request accommodations by calling Wisconsin Telecommunication Relay System (TTY) at 711.

Public input helps WisDOT deliver projects efficiently. Contact the representative below with questions, comments, and any information you may have – especially regarding historical assets, underground utilities, drainage issues or other environmental concerns:
