## Federal Agencies

U.S. Army Corps of Engineers  
U.S. Department of Agriculture – Natural Resources Conservation Service  
U.S. Department of Commerce  
U.S. Department of Housing and Urban Development  
U.S. Department of the Interior—Bureau of Indian Affairs  
U.S. Department of the Interior—Fish and Wildlife Service  
U.S. Department of the Interior—National Parks Service  
U.S. Department of the Interior—Office of Environmental Policy and Compliance  
U.S. Department of Transportation (Federal Highway Administration)  
U.S. Department of Transportation (Federal Railroad Administration)  
U.S. Department of Veterans Affairs  
U.S. Environmental Protection Agency  
National Cemetery Administration  
National Center for Environmental Health and Injury Control

## State Agencies

Wisconsin Department of Administration  
Wisconsin Department of Natural Resources  
Wisconsin Department of Transportation (various Bureaus)  
Wisconsin Legislative Fiscal Bureau  
Wisconsin State Historical Society  
Wisconsin State Reference and Loan Library

## Federal and State Elected Officials

Governor Tony Evers  
Lieutenant Governor Sara Rodriguez  
Honorable Ron Johnson (U.S. Senator)  
Honorable Tammy Baldwin (U.S. Senator)  
Honorable Gwen Moore (U.S. Congresswoman)  
Honorable Scott Fitzgerald (U.S. Congressman)  
Honorable Tim Carpenter (State Senator)  
Honorable LaTonya Johnson (State Senator)  
Honorable Rob Hutton (State Senator)  
Honorable Evan Goyke (State Assemblyman)  
Honorable Tom Michalski (State Assemblyman)  
Honorable Daniel Riemer (State Assemblyman)  
Honorable Dave Maxey (State Assemblyman)  
Honorable Kalan Haywood (State Assemblyman)  
Honorable Sylvia Ortiz-Velez (State Assemblywoman)  
Honorable Marisabel Cabrera (State Assemblywoman)

## Local Units of Government/Interest Groups

City of Milwaukee (Mayor Cavalier Johnson)  
City of Wauwatosa (Mayor Dennis McBride)  
City of West Allis (Mayor Dan Devine)  
Milwaukee County (County Executive David Crowley)  
Southeastern Wisconsin Regional Planning Commission  
Village of West Milwaukee (Village President John Stalewski)

## Repositories

City of Milwaukee Department of Public Works  
Milwaukee County Department of Transportation  
Milwaukee Public Library – Central Library  
Milwaukee Public Library – Mitchell Street Branch  
Milwaukee Public Library – Washington Park Branch  
Milwaukee Public Library – Martin Luther King Branch  
Southeastern Wisconsin Regional Planning Commission  
West Allis Public Library  
Wauwatosa Public Library  
WisDOT Bureau of Technical Services  
WisDOT Southeast Region Office

# Documentation on Project Website

---

**Note:** The documents on the project website (<https://wisconsin.gov/Pages/projects/by-region/se/94stadiumint/default.aspx>) were created and published at various points during the I-94 East-West Corridor Study. When applicable, the date of publication is included in this list of documents. Some information in these documents may be out of date and not reflect the existing condition. The information provided in the body of this Supplemental Final Environmental Impact Statement should be considered the most up-to-date and accurate information.

Federal Highway Administration. *Revised FHWA Assessment of Adverse Effects for the I-94 East-West Corridor Project from 16<sup>th</sup> Street to 70<sup>th</sup> Street, Milwaukee, WI.* September 2014.

Federal Highway Administration. *Addendum Assessment of Adverse Effects Determination for the I-94 East-West Corridor Project from 16<sup>th</sup> Street to 70<sup>th</sup> Street, Milwaukee, WI.* November 2015.

Walsh, Tom. *Journey to Work: Commuting and “Reverse Commuting” between Milwaukee and Waukesha County.* December 2019.

Wisconsin Department of Transportation. *A Procedural Approach for I-94 EW Forecast Development.* Draft. January 2023.

Wisconsin Department of Transportation. *I-94 East-West 70<sup>th</sup> Street – 16<sup>th</sup> Street Public Involvement Plan.* August 2021.

Wisconsin Department of Transportation. *I-94 East-West Corridor Visual Impact Assessment.* September 2014.

Wisconsin Department of Transportation. *I-94 East-West Corridor Project Purpose and Need Summary.* November 2021.

Wisconsin Department of Transportation. *I-94 East-West Corridor Project Range of Alternatives Summary.* June 2022.

Wisconsin Department of Transportation. *I-94 East-West Data Collection: Wetland Delineation and Rusty Patched Bumble Bee Habitat Field Survey.* September 2021.

Wisconsin Department of Transportation. *I-94 East-West Data Collection Project: Existing HCS Facilities Notes and Assumptions.* November 2020.

Wisconsin Department of Transportation. *I-94 East-West Data Collection Project: Existing Synchro Notes and Methodology.* December 2020.

Wisconsin Department of Transportation. *I-94 East-West Data Collection Project: Existing VISSIM Calibration & Validation.* February 2021.

Wisconsin Department of Transportation. *I-94 East-West SDEIS: Future VISSIM Models Development and Validation.* August 2022.

Wisconsin Department of Transportation. *IH 94 East/West Phase 1 Hazardous Material Site Assessment Update - 2020*. November 2020.

Wisconsin Department of Transportation. *News Release: WisDOT to Expand Review of I-94 East/West Project*. April 2021.

Wisconsin Department of Transportation. *Programmatic Agreement among Federal Highway Administration, Wisconsin State Historic Preservation Officer, and Advisory Council on Historic Preservation Regarding Wisconsin Department of Transportation Project ID #1060-27-00 WHS #13-0065. I-94 East-West Corridor Study (70th Street to 16th Street), City of Milwaukee, Milwaukee County*. July 2016.

Wisconsin Department of Transportation. *Safety Certification Document Amendment*. July 2022.

Wisconsin Department of Transportation. *Sensitivity Analysis Expanded Results*. November 2020.

Wisconsin Department of Transportation. *Stadium Interchange Alternatives*. April 2022.

Wisconsin Department of Transportation. *WB 28<sup>th</sup> – 35<sup>th</sup> Street Ramps*. July 2022.

Wisconsin Department of Transportation. *Phase II Intersection Control Evaluation Report: N 25<sup>th</sup> Street & W St. Paul Avenue*. April 2022.

Wisconsin Department of Transportation. *Phase II Intersection Control Evaluation Report: N 26<sup>th</sup> Street & W St. Paul Avenue*. April 2022.

Wisconsin Department of Transportation. *I-94 East-West SEIS Induced and Latent Demand*. March 2023.

Wisconsin Department of Transportation. *I-94 East-West SDEIS Forecast Cordon Line Analysis*. March 2023.

Wisconsin Department of Transportation. *FHWA Cost and Schedule Risk Assessment*. June 2023.

Wisconsin Department of Transportation. *Biological Assessment for I-94 East-West Corridor (70<sup>th</sup> Street to 16<sup>th</sup> Street)*. July 2023.

Wisconsin Department of Transportation. *Bridge/Structure Bat Assessment Forms*. May and June 2023.

# List of Preparers

Organization/Name	Primary Responsibility	Qualifications
<b>FHWA</b>		
Bethaney Bacher-Gresock	EIS review for environmental aspects	B.S., Environmental Studies and Biology; 18 years of experience highway project development and environmental review
David Platz, P.E.	EIS review	B.S., Civil Engineering; M.S., Civil and Environmental Engineering; 23 years of experience in highway project development, design, construction, and environmental review.
<b>WisDOT</b>		
<b><i>Bureau of Technical Services/Environmental Services Section</i></b>		
Jay Waldschmidt, P.E.	EIS review for environmental aspects and legal sufficiency	B.S., Civil Engineering; B.S., Mining Engineering; Experience since 1989 in highway project development and environmental review
Carolyn Amegashie	Review for environmental justice and air quality impact analyses	B.A., Management; M.A., Public Policy and Administration. Experience with WisDOT since 1992 as a planning/program/policy analyst
Hans Hallanger, P.E.	WisDOT SE Region stormwater and noise engineer	B.S. Civil Engineering. Experienced in land development, grading, drainage, stormwater and erosion control since 1990
Jennifer Gibson	Biological Assessment review	B.S. Earth and Environmental Science; 15 years of experience with environmental evaluation and coordination for transportation design
Alyssa Barrette	Greenhouse gas analysis review	B.S. Environmental Science; over 10 years of experience with environmental evaluation and coordination for transportation design
<b><i>Southeast Region</i></b>		
Jeff Bohan, P.E.	Project Development Chief	B.S. Civil Engineering; 23 years of experience in transportation project management, design and construction
Brian Bliesner, P.E.	Former Project Development Chief	B.S. Civil Engineering; 35 years' experience in transportation project development, including environmental studies, design, and construction
Christopher Zacharias, P.E.	WisDOT project manager	B.S. Civil and Environmental Engineering; 31 years' experience in transportation design and construction
Joshua LeVeque, P.E.	Former WisDOT project manager	B.S. Civil Engineering; 21 years' experience in transportation design and construction

Organization/Name	Primary Responsibility	Qualifications
Brenda Ruenger, P.G.	Environmental Lead; SEIS review, environmental impact analysis, agency coordination	B.S. Geology; over 30 years environmental experience, including 7 years in transportation environmental studies
Dobra Payant, P.E.	Former Environmental Lead; SEIS review, environmental impact analysis, agency coordination	B.S. and M.S., Civil Engineering; over 30 years of combined civil/geotechnical/environmental engineering experience, including 16 years in transportation environmental studies
Keegan Dole, P.E.	Project Engineer	B.S Civil Engineering; 10 years' experience in Traffic Engineering Construction and Design
Dan Sellers	Public involvement	B.S., Marketing; 12 years' experience in engineering industry providing public involvement, business development and consultant services.
William Mohr, P.E.	WisDOT Project Development Supervisor	B.S., Civil and Environmental Engineering 1987; 36 years' experience in planning, project development, and construction of urban and rural highways
Tracy Pinkowski, P.E.	WisDOT Region Stormwater and Erosion Control Engineer	B.S. Civil Engineering 1994, M.S. Civil and Environmental Engineering 1996; 23 years of experience in stormwater quantity and quality modeling, management and design, floodplain modeling and management, FEMA CLOMR and LOMR submittals, and private development.
Allison Blackwood, P.E.	WisDOT Traffic Engineer	B.S. Civil Engineering; 16 years of experience in traffic engineering and planning
Margaret Liedtke, PE	WisDOT Utility Engineer	B.S. Civil Engineering 1985; 32 years of experience in municipal engineering; 5 years of experience in utility coordination.
<b>Consultant Team</b>		
Jeff Bauer, P.E. Jacobs	Consultant Project Manager	B.S., Civil and Environmental Engineering 1990; 32 years of experience in planning, project development, and construction of urban and rural highways
Charlie Webb Jacobs	Environmental impact analysis; agency coordination and public involvement	M.S. Urban and Regional Planning; 33 years of experience in transportation environmental studies and EIS preparation
Ben Goldsworthy, AICP Jacobs	EIS task lead; Environmental impact analysis; SEIS preparation	B.A. Political Science; M.S., Urban and Regional Planning; 18 years of experience in transportation environmental studies, and EIS preparation

Organization/Name	Primary Responsibility	Qualifications
Joel Jurss, P.E. Jacobs	Alternatives analysis	B.S. Civil and Engineering; 27 years' experience
Kyle Peschel, P.E. Jacobs	Alternatives analysis	B.S. Civil Engineering; 12 years' experience
Carla Mykytiuk, MPA Jacobs	Environmental impact analysis; SEIS preparation	MPA, Public Administration, 21 years' experience in transportation planning and environmental studies, stakeholder engagement and noise impact evaluation.
Patrick Joseph Jacobs	Noise analysis	B.S. Industrial Technology; M.A. Urban Planning and Environmental Policy; 22 years' experience in noise modeling and traffic noise analysis
Carly Paluszek Jacobs	Environmental impact analysis; SEIS preparation	B.A. Environmental Geoscience; M.A., Sustainable Urban Development; over 4 years' experience in transportation environmental studies and EIS preparation
Gary Ferguson Jacobs	Alternatives analysis	B.S. Civil Engineering; 14 years' experience
Victoria Stoodley Jacobs	Environmental impact analysis; SEIS preparation	BSc Environmental Sciences, MRes Wildlife Conservation; over 3 years' experience in environmental assessment for transportation projects
Tom Pettit, P.E. Jacobs	Design task lead; alternatives analysis, public involvement	B.S. Civil and Environmental Engineering; 33 years' experience
Megan Harding Jacobs	Historic resources	M.S. in Anthropology; 10 years' experience
Sara Orton Jacobs	Historic resources	M.P.S. Historic Preservation; 27 years' experience
Rob Beuthling, P.E. HNTB	Traffic operations analysis	B.S. Civil engineering; 26 years of experience in traffic operational analysis
Carolyn Seboe HNTB	Indirect and cumulative effects analysis	B.S. Geography and Master Urban Planning; 13 years of experience working on community planning, environmental documentation, and transportation planning projects
Joel Brown HNTB	Indirect and cumulative effects analysis	B.S., Land Use Planning; experience since 2009 in transportation planning, transportation project development, environmental documentation and project review
Joe Ulatowski, P.E. HNTB	Traffic analysis	B.S. Civil Engineering; 11 years of experience in traffic engineering and freeway operations analysis
Eric Youngblom, P.E. HNTB	Predictive crash analysis	B.S. and M.S. and Civil Engineering; 10 years of experience in safety and traffic engineering

Organization/Name	Primary Responsibility	Qualifications
John Vogel, Ph.D. Heritage Research Ltd.	Historic resources	Ph.D. American History; 30 years' experience in cultural resource management
Beth Foy Beth Foy & Associates, LLC	Public Involvement	M.A. Public Administration, 37 years' experience in planning and public involvement.
Timothy Anheuser, P.E. Kapur and Associates	Public Involvement	B.S. Civil Engineering, 39 years' experience in transportation planning design, environmental studies and stakeholder engagement
Kurt Farrenkopf, P.E. Kapur and Associates	Technical services task lead, utility coordination, survey, public involvement	B.S. Civil Engineering; 39 years' experience in transportation facilities design and EIS preparation
Patricia Herman Kapur and Associates	Hazardous Material Investigation	B.S. Soil Science, specializing in Soil and Water Quality; 21 years of experience conducting hazardous materials investigations on transportation projects including soil evaluation, soil and groundwater sampling, and well installations
