Public Information Meeting

January 23, 2014 | 4:30 to 7 p.m.

Meeting Purpose

The Wisconsin Department of Transportation (WisDOT) is preparing detailed engineering plans for the reconstruction of WIS 50 between approximately 116th Avenue and 43rd Avenue in Kenosha County. The purpose of the meeting is to update the public on the latest design plans and project schedule.

Meeting Activities

You are encouraged to review the information and talk with project staff.

Please be sure to:

- Sign in at the welcome table
- Browse the exhibit boards and roll plots
- Listen to a presentation at 5:15 p.m.
- Talk to staff
- Ask questions
- Submit your written comments

Project Contact

To learn more about the WIS 50 project, please contact:

Jason Dahlgren, PE, WisDOT Project Manager

(262) 521-5349
