

I-39/90/94 Corridor Study Public Meetings

→ YOU'RE INVITED!

The Wisconsin Department of Transportation (WisDOT), in partnership with the City of Madison, **invites you to attend one of two meetings** to discuss Interstate improvement alternatives for Madison-area interchanges developed as part of the I-39/90/94 corridor study. The City of Madison and WisDOT encourage your input to determine the future of infrastructure safety, traffic operations, commuter choices and development to the east of Stoughton Road. Both meetings will start promptly at 6 p.m. with a brief presentation. WisDOT staff and City of Madison representatives will be present to answer questions and gather feedback.

The meetings are an opportunity to learn and provide input about the Interstate study including:

- Potential new interchanges at I-94 and Milwaukee Street, and I-39/90/94 and Hoepker Road.
- Alternatives for the US 151 and High Crossing Boulevard interchanges.

**TUESDAY,
MAY 23, 2023**

from 6 to 7:30 p.m.

Location:

American Family Insurance HQ
Building A, Room A2151
6000 American Parkway
