

Public Involvement Meeting I-90, Sparta Rest Area #16 Monroe County

Public Involvement Meeting

The Wisconsin Department of Transportation (WisDOT) has scheduled a virtual public involvement meeting to present information regarding proposed improvements and gather public comments on the reconstruction of the existing Sparta Rest Area along westbound I-90. A presentation on the project can be found on the WisDOT website at:

<https://wisconsindot.gov/Pages/projects/by-region/sw/i90-spartarestarea/default.aspx>

The presentation will provide details on the project, discuss the anticipated schedule, and offer the opportunity to provide feedback.

Proposed Improvements

The Sparta Rest Area is located along westbound I-90 between Sparta and Rockland in Monroe County. The project will replace the existing facility with a new modernized building and expanded site layout to accommodate additional parking needs while remaining within existing right-of-way. The reconstruction will include the rest area building, parking lots, utilities, and replace the exit and entrance ramps onto I-90.

During construction, the site will be closed to the traveling public. Motorists can expect to encounter short-term single-lane closures during off-peak hours along I-90 to complete the exit and entrance ramp connections to the interstate. Construction is scheduled to begin in 2024 and last into 2025.
