

OPPORTUNITIES TO PROVIDE TESTIMONY

- The objective of the public hearing and environmental document availability period is to get the most complete expression of public opinion regarding the project aspects listed in this handout on the record.
- Testimony provided during this public hearing and during the environmental document availability period will be considered along with all other judgments and opinions received before further decisions are made on the proposed project alternatives.
- This public hearing includes a project presentation and opportunities to provide public or private verbal testimony to a court reporter and/or written testimony. All testimony will be entered into the public hearing record along with other public hearing presentations, exhibits and materials

PUBLIC VERBAL

- The open-style public hearing portion of the hybrid-style hearing is available starting after the 5:00 p.m. presentation until the close of the meeting at 6:30 p.m.
- If you are interested in providing public verbal testimony during the meeting today, please complete a “Registration Slip for Verbal Testimony” and present it to the public hearing proctor. Required information on the form includes; name, address, representing (if applicable), speaking in favor/in opposition/for information only.
- Please limit their testimony to no more than three (3) minutes. Those interested in providing more than 3 minutes of testimony may provide additional testimony after others wishing to testify have done so.

PRIVATE

- There is also a court reporter located in the adjacent meeting room where you can present one-on-one testimony anytime during this period.
- Please complete a “Registration Slip for Verbal Testimony” and present it to the court reporter. Required information on the form includes; name, address, representing (if applicable), speaking in favor/in opposition/for information only.

WRITTEN

- If you are interested in providing written testimony at the public hearing, there is a form on Page 12 of your handout packet that may be used and submitted to the registration table.
- You may also complete your written testimony after the meeting and submit it via email or U.S. mail to the contact information shown on the written testimony form.
- Written testimony must to post-marked by September 25, 2022 to be included in the project documentation.
