Re: **STH 106 Resurfacing Project Notification and Virtual Public Involvement**
Project ID: 3576-01-34/64
Ft. Atkinson – Palmyra
0.01 miles east of Edgewater Road to CTH CI
STH 106
Jefferson County

Dear Sir/Madam,

The Wisconsin Department of Transportation (WisDOT) is seeking public input on proposed improvements to STH 106 from 0.01 miles east of Edgewater Road to CTH CI. An improvement project is currently scheduled for 2022.

We invite you to view the project presentation at <https://wisconsin.gov/Pages/projects/by-region/sw/wis106-jeffersoncounty/default.aspx>. The presentation provides details on the purpose and need for the project, and the preliminary design proposal.

The following needs have been identified on this section of STH 106:

- The pavement is deteriorating and has extensive cracking and rutting

The proposed improvements include the following:

- Remove 2-inches of the existing surface and pave 2-inches of new asphaltic material
- Widening the paved portion of the existing shoulder from 3-foot to 5-foot
- Install centerline and shoulder rumble strips
- Add new pavement markings

STH 106 will remain open to thru traffic during construction through the use of flagging operations.

We look forward to working with you on this important transportation investment. If you have any questions or comments, feel free to contact me by phone at (608) 246-5638; email matthew.lamb@dot.wi.gov; or by mail at 2101 Wright Street, Madison, WI 53704 by August 21, 2020.

Thank you for your time and attention.

Sincerely,

Matthew Lamb, P.E.

Matthew Lamb, P.E.
WisDOT Project Manager
