 - Consultant Project Engineer

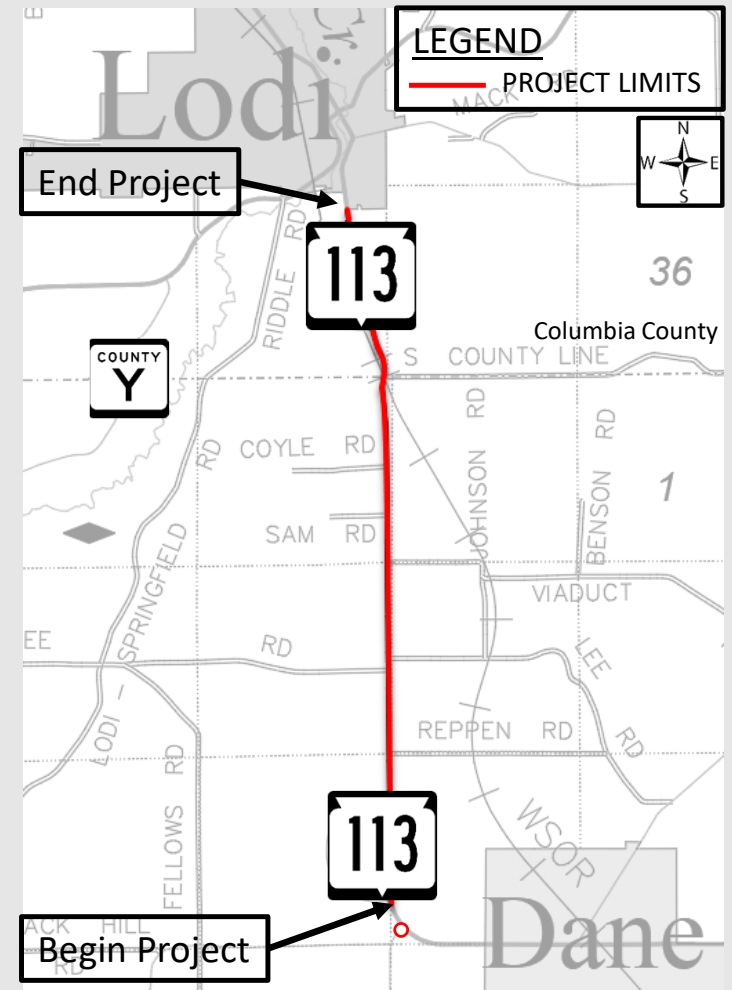

Presentation Outline

- Project Overview
- Project Need
- Proposed Improvements
- Anticipated Traffic Control
- Project Timeline
- Business Coordination
- Next Steps

Project Overview

- WIS 113
 - County P – Lodi City Limits

Project Needs

- Deteriorated pavement
- Guardrail and grading not to current standards of crashworthiness
- Pavement marking fading, lacking reflectivity, and not to current standards for width

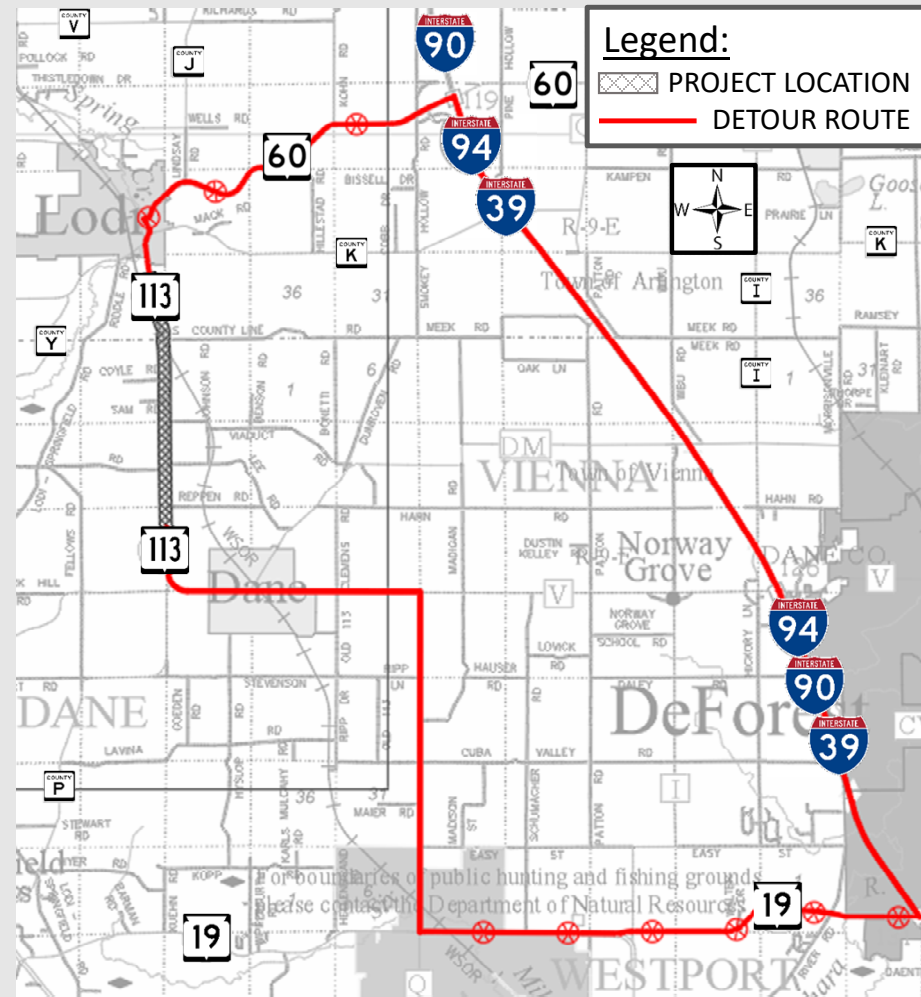

Proposed Improvements

- Remove existing pavement
- Place 5" new HMA pavement (0.5" profile raise from existing)
- Remove guardrail and install guardrail meeting current standards of crashworthiness
- Update grading at guardrail and terminals
- Install pavement markings meeting current standards for width and reflectivity
- Install centerline and edgeline rumble strips

Proposed Traffic Control

- Road closed to through traffic
 - Posted detour following WIS 60, I39/90/94, and WIS 19

Schedule

- Preliminary Design
 - June 2024 – July 2025
- Real Estate Begins
 - 2025
- Final Plans
 - August 1, 2027
- Scheduled Construction
 - 2028

Anticipated Construction Timeline

Business Coordination

- [Wisconsin.gov/together](https://www.wisconsin.gov/together)
 - Tips, tools, and resources
 - Business coordination guide
- Project team is here to help

Next Steps
